THE

MOUNTAINEER

Llano High School  
Llano, Texas

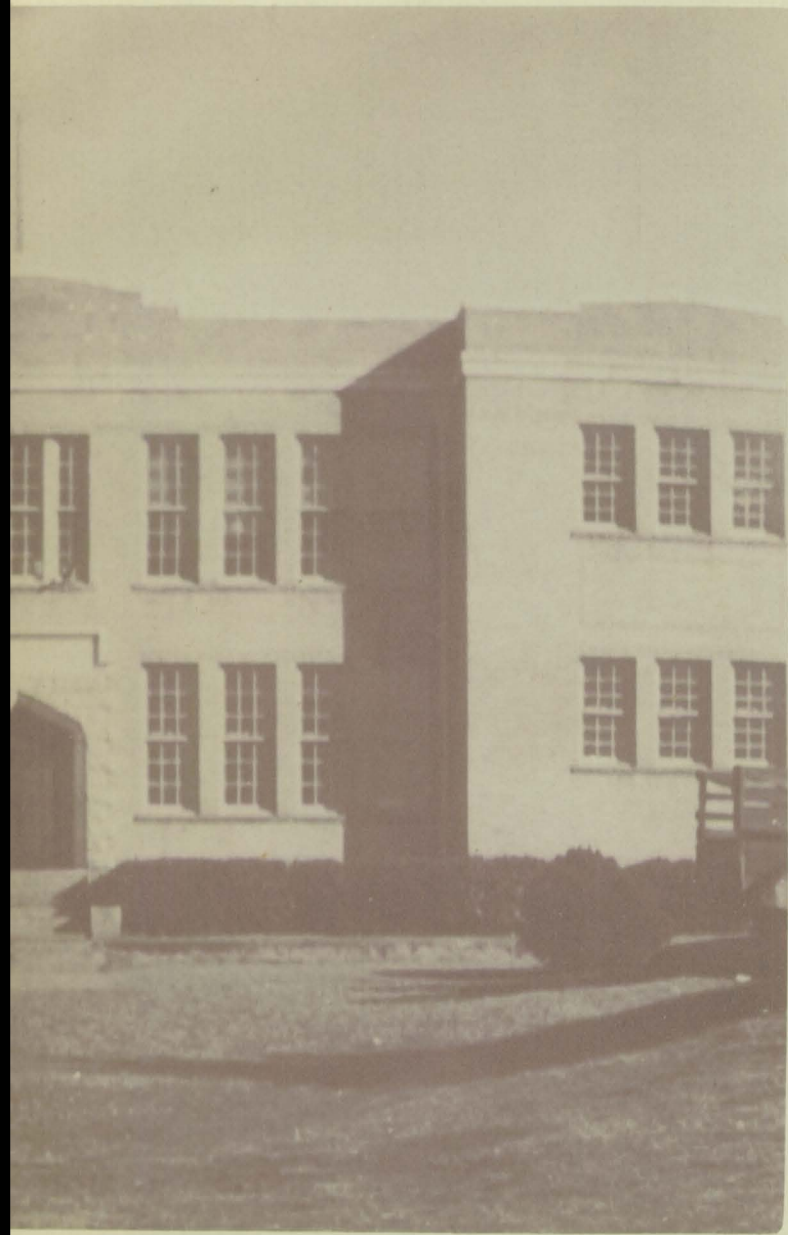

In this annual  
we have tried to  
picture our school  
experiences as a  
record to exist  
for all time. We  
hope that in the  
years to come this  
glimpse into the  
past will recall  
to your mind the  
varied phases of  
school life in  
1944-1945.

L. H. S. forever, firm  
together stand,  
Come so true and  
faithful,  
Stand at league,  
We'll face the world  
so fearlessly.

To those to whom we owe a debt of gratitude to our parents and teachers who have given so unselfishly of their time and efforts in guiding and directing us, and to our relatives and friends who are fighting to maintain the "American Way of life" so that the future may hold for us freedom, happiness, and success, we dedicate the 1945 Mountaineer.

And through the days that follow,  
We'll pledge our loyalty  
For unto L. H. S. with  
all our might  
We'll fight for Victory

Superintendent

Students,

Your lives are in the making. Not money, fame, or power, but sincerity, intelligence, friendliness, resourcefulness, strength of purpose, gracious manners, and dependability, are the real measures of what you are. Cultivate these qualities to find the secret of making your lives count the most.

I hope that your classroom work, school activities, and associations in Llano High School have helped to develop in you those qualities that will cause you to face the future with an optimistic courage and determination to make your lives worthwhile to yourself and to others.

J. J. Young

Life is a bigger game than football, but the same rules apply. If you keep mentally alert, physically fit, and full of energy and enthusiasm you will be the man whom life's coach will pick when the winning touchdown is needed. If you do not follow the rules you will be removed from the game and a more capable person will take your place.

Observe the rules and play hard and fair, and you will run up an impressive score in the game of life.

"Pew" is a friendly person with lots of school spirit. Honest and sincere, her love for outdoor life makes her a genuine tom boy. - - - "Iek" is that boy with a burning passion for all the new girls. When his mind is not on girls you'll find it on the football field. - - - "Susy" is that pretty little gal who every one would be jealous of if it were not for her loveable personality. - - - The sincereness and good nature of the western cowboy is well portrayed in "Sanford". # CLASS HISTORY

The seven years of our life in grade school passed by in rapid succession under the able directions of Clara Moran, first grade; Ann Ingram, second grade; Brownie Byfield, third grade; Hazel May, fourth grade; Undine Stockard, fifth grade; Mrs. Wortham Ratliff, sixth grade; James Lesikat, seventh grade. Having progressed thus far in the institution of learning, we were promoted to the freshman class.

When, as frightened fish, we assembled in high school in the fall of '41. T.J. Kendrick was elected president. Flora Mueller as the class sponsor took us to the Buchanan Lake for our picnic.

Gordon Freeman was elected sophomore president. Mrs. Dan Bussey as our sponsor invited us to her father's ranch for our yearly splurge.

Charlene Carter was elected president of the Junior class. Mrs. Vera Vay Shipp, class sponsor, helped us stage "Listen To Leon." We chose a Mexican theme at our banquet to entertain the seniors. To entertain ourselves we journeyed to the Buchanan Dam on the school truck.

As seniors we chose Alberta Lehmborg, president. Coach Barnhart was elected our class sponsor. We are now planning a gala time for senior day. Now as seniors we look backward at our years in Llano High School in pleasant reminiscence and then forward to graduation and the years to come with mild anticipation and a little regret at the thought of leaving so many friends in Llano High School.

"Dot" is a girl with a congenial personality and a merry smile. Her chief charm is her ability to get along with all kinds of people. -- "Beechnut" is a tall, stalwart boy who likes to read wild western novels. His favorite habit is sleeping. -- "Pussy" is a little girl with a big personality. She has a glib tongue which enables her to say just the right thing at just the right time. -- "Chubby" is a solid little girl whose continual laughter is infectious. She works very hard and ultimately reaches her goal. -- "Shorty" is a very tiny, quiet girl who definitely proves the adage "good things come in little packages." -- "Dottie" is a rather shy girl who likes to dance. Though she is reserved she enjoys being with a group. -- "Skinny" is a quiet, studious boy with a catchy line. Although he enjoys all kinds of sports, tennis is first on his list. He is a grand fellow and a good sport. -- "Blondie" always has something to say. Her gushing laughter and smile have made her well known.

"Frankie" is a quiet, studious young man with a conservative manner. Notwithstanding the fact he makes life pleasant. --- "Slim" is easily distinguished by his G.I. haircut and droll expression. By an odd coincidence his most persistent habit is eating. --- "Handsome's" conceited line is his greatest charm. But since actions speak louder than words, no one really believes him. --- "Mib" is a girl with an attractive manner and neat ways. She is wholly unselfish and is always ready to help anyone. --- "Sis" is a serious girl who is known for her dependability. She is always interested in Lone Grove activities. --- "Curly" is a mischievous little nuisance who has his finger in every pie. He is noted for his good humor and fast tennis. --- "Junior" is the other half of a twin combination that has added spice to life around L.A.S., although he is quiet and modest. --- Anyone who ever got the idea that "Fudge" was tall certainly wasn't nearsighted. My, he's tagged with a sweet name.

Quiet and unassuming, "Alfeste" has won the respect and admiration of the entire student body by his brilliant football career. -- Dry wit and cocksure attitude make "Bett" a character. Needless to say she has a big heart and a friendly smile. -- "Fran" is a lovable little person with a vivacious nature. She is one of those girls who likes to grow long fingernails. -- Simple courtesy and comic wit combine to make "Six Mile" a favorite. His personality illustrates the saying, "Handsome is as handsome does." -- "Butch" is a jovial girl who is athletically inclined. Happy and good-natured. She is able to get along with all sorts of people. -- Drawing and dreaming take up most of "Lucky's" time. She is a quiet girl with an interest in sports. -- "Shallowater" is a girl who studies continually. She is noted for her quick thinking and perfect memory. It might be said she has a passion for earrings.

What "Chipmunk" lacks in size he makes up for in speed and persistent chatter. Famous for his athletic skill he is equally noted for his sociability. --- "Trelly" has a quiet, mild personality. A girl to whom laughter is second nature, she is always able and willing to undertake any task that she is called on to perform. --- "Lulu" is a bashful little girl who is always in a gay mood. Her chief characteristics are unique ideas and her sparkling wit. --- To talk to "Janie" is a personal pep rally. Her unselfish manner and sparkling smile gives one a new hold on life. --- "Babe" is a reserved person with a soft pleasant voice. Although independent she is very polite. --- A gal whose nature is as changeable as the weather "Breezy" is super. --- "Tooter" is a girl with a baton and who is very eye-catching.

As Juniors we consider ourselves the happiest "gang" of kids in L.H.S. Having gained several credits during the past two years' work and with graduation still in the dim future, we are resolved to have a good time and do enough work to keep our teachers at least partially satisfied.

The year 1945 finds us united in putting on our Junior play, "Antics of Andrew" and in entertaining the seniors at the traditional banquet. We intend to climax our activities in a gala picnic and end our year as Juniors ready to become serious seniors in 1946.

We, the sophisticated sophomores have passed the horror of being a "fish" and are eagerly looking forward to the realm of being upper-classmen. We envy the Juniors and seniors of their position, but our day will come. Meanwhile we are having a good time and are taking a large part in school activities. As has been the custom in the past, we intend to entertain ourselves at the close of the year.

Our first year in high school has been a long awaited event. It is as exciting as your first date, and is that bridge between adolescence and maturity. Although we have been "mistreated" we like our fellow school mates including the haughty seniors. Even though we did get lost the first day we are in the "groove" now. In celebration of our entrance into high school and becoming sophomores, we are planning to close the year with a bang.

Here is the school's choice for best all'round girl. Having served as a class officer, editor of the school paper, cheer leader, and a member of the annual staff for two years, she has won many friends. We present -  
CHARLENE CARTER

This is the boy we as a school voted best all  
around. He has represented L.H.S. in track and in  
football, each time winning glory for himself  
and us. As a reward for this he was selected  
All-District back of 1944. We present -  
DAYTON LEIFESTE

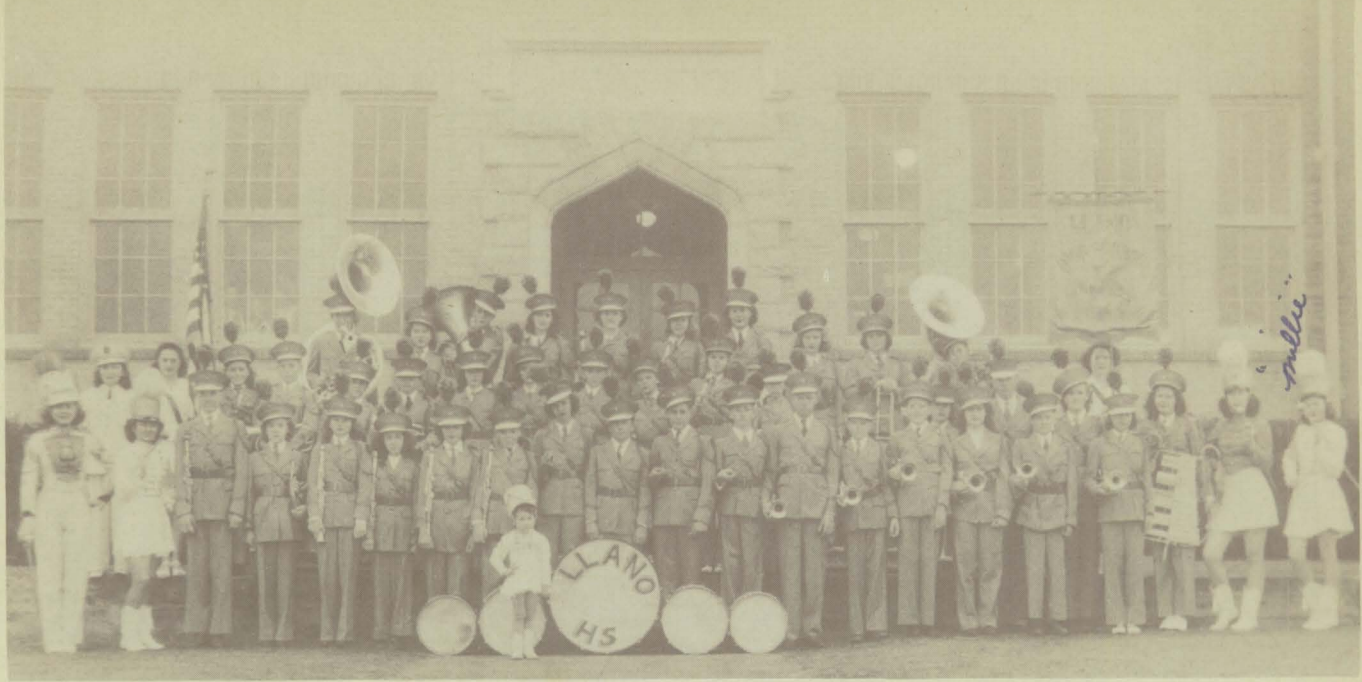

To accentuate their team the football boys chose SHERRY BARNHART to be their mascot. Butch, the daughter of Mr. and Mrs. P.H. Barnhart is a lovable little girl of three and a half years.

The football sweetheart is SHERMALEE WILLARD whom the boys honored during the half of the Mason game when she was escorted to the center of the field by Ick Freeman to be presented red roses.

## SPANISH

Our Spanish-American neighbors are of much interest to us in the world of today, and their coming importance in the world of tomorrow has caused many students to study their language. Each of the two Spanish classes has a club in which we combine study with recreation in learning something about the Latin American countries and their inhabitants. In Spanish I, pictured above, we call it El Triunfo Club. Our officers are: Ann Dalchau, president; Maxine Bedford, vice-president; Tom Collins, secretary; Frankie Hardin, treasurer.

El Cactus Club, below, is the second year club. Our officers are: Helen Moss, president; Carl Garner, vice-president; Molly Gene Byfield, secretary-treasurer. In December, we enjoyed a Spanish dinner at Hotel Llano. In all our activities, Miss Blackman has been our sponsor.

First Row: Wells, E; Leifeste, B; Harris, E; Freeman, C; Smith, B; Stolz, B. Second Row: Coach Barnhart, Hargrove, G; Kendrick, E; Joiner, B; Walter Hohmann, G; Genini, E; Schmidt, T. Third Row: Ratliff, B; Banks, E; Williams, T; Otto, B; Kothmann, E. Fourth Row: Thompson, manager; Phillips, E; Dunaway, E; Wallace Hohmann, C; J. Tate, B; Davis, G; B. Tate, E. Fifth Row: Virdeell, T; Mc Dermott, T; Talley, G; Marshall, B; Estes, E; Garrett, C.

THE YELLOW JACKETS, through sustained efforts, won second in district football for the 1944 season. Our first opponent, the Marble Falls Mustangs, visited the Granite Bowl to be beaten 12-6. The next week-end we went to Burnet to beat them 14-7. We won our first conference game over the Lampasas Badgers with a score of 27-0. We then journeyed to Goldwaite to outscore the Eagles 21-6. Next, we won over the San Saba Armadillos, 13-0. A non-conference game with the Mason Punchers ended in their favor, 6-0. The Fredericksburg Hillbillies spoiled our dreams of championship with a score of 14-0. We conclude that the 1944 season gained our team the prestige they lacked in former years for five of our players made all-district. They were: Freeman, Leifeste, Straghorn, Schmidt, and Virdeell.

# TRACK-AND-FIELD

Lvano High School has, in former years, been very proud of her track-and-field participants. 1945 finds the boys as restless as ever to try their skills at this time honored feat. The Mountaineer wishes glory to these entering the Interscholastic contests.
