LLANO HIGH SCHOOL

902 Oatman Street

Llano, Texas

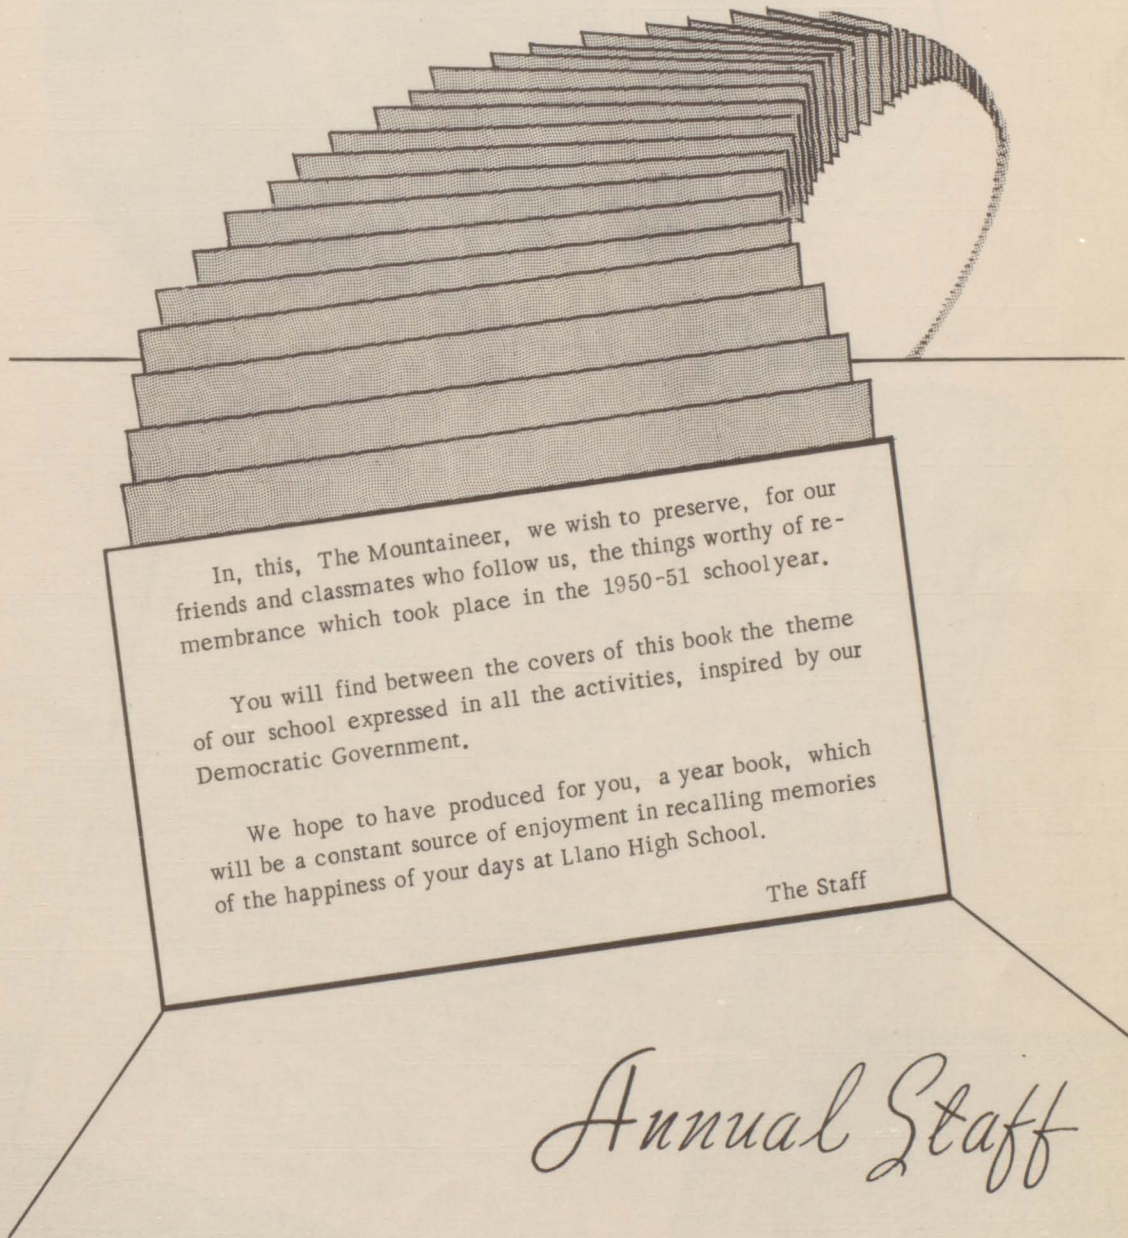

Dedication

To the present students and all the students to come who will work toward and keep up our school theme: Sportsmanship, School Spirit, Friendliness, and Social Growth, we dedicate this book.

"THE MOUNTAINEER."

Foreword

In, this, *The Mountaineer*, we wish to preserve, for our friends and classmates who follow us, the things worthy of remembrance which took place in the 1950-51 school year.

You will find between the covers of this book the theme of our school expressed in all the activities, inspired by our Democratic Government.

We hope to have produced for you, a year book, which will be a constant source of enjoyment in recalling memories of the happiness of your days at Llano High School.

The Staff

Annual Staff

Superintendent's Message

To The Students of Llano School:

The school year of 1950-51 has brought to me many pleasant associations with a fine group of students. The success and happiness in any school, city, or nation depends on the people that make that organization. The co-operative and democratic way the boys and girls of Llano have worked through this school year makes me believe in the future of American Democracy. I am sure every teacher and citizen of Llano appreciates the good work that each of you do, and will be expecting the graduates of the Llano High School to become leaders of the better activities of life.

I want you to know that I am proud of you, and that my best wishes go with you in every good activity that you may undertake. Your success and happiness will not be measured in terms of dollars accumulated but in the way you conduct yourself and handle the job assigned you.

If at any time there is any service or favor that I can render you personally, or as a school official, I shall be happy to have you request it.

Your sincere friend,

C. E. Brown

C. E. Brown
Superintendent

Principal's Message

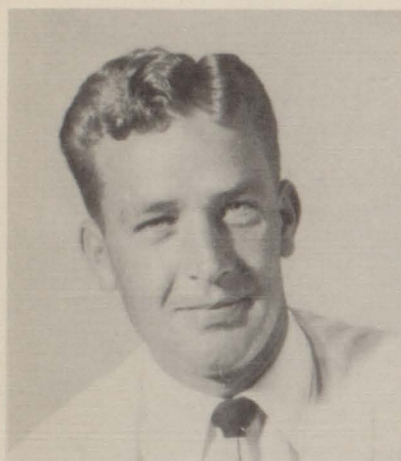

To the Llano High School Students:

It is my sincere hope that during this past year We, the faculty, have contributed to your academic and social growth, and have helped you to become better citizens. I also hope that your year has been a pleasant one.

Sincerely,

A. P. Williams
