**THE MOUNTAINEER**

**1955**

**LLANO HIGH SCHOOL**

JU.

## FOREWORD

Just as a mirror reflects our image, so will this annual reflect the faded memories of school days. When the hands of the clock have revolved over and over again, leaving their mark upon each and all of us, then will the pages of this annual picture a true reflection of all the joys and sorrows, pleasures and hardships which were in reality, stepping stones on which we, step by step, have risen to Senior distinction. What wonder then, when years of life have left our memories hazy, that this book shall reflect the past charms of youth and fellow classmates?

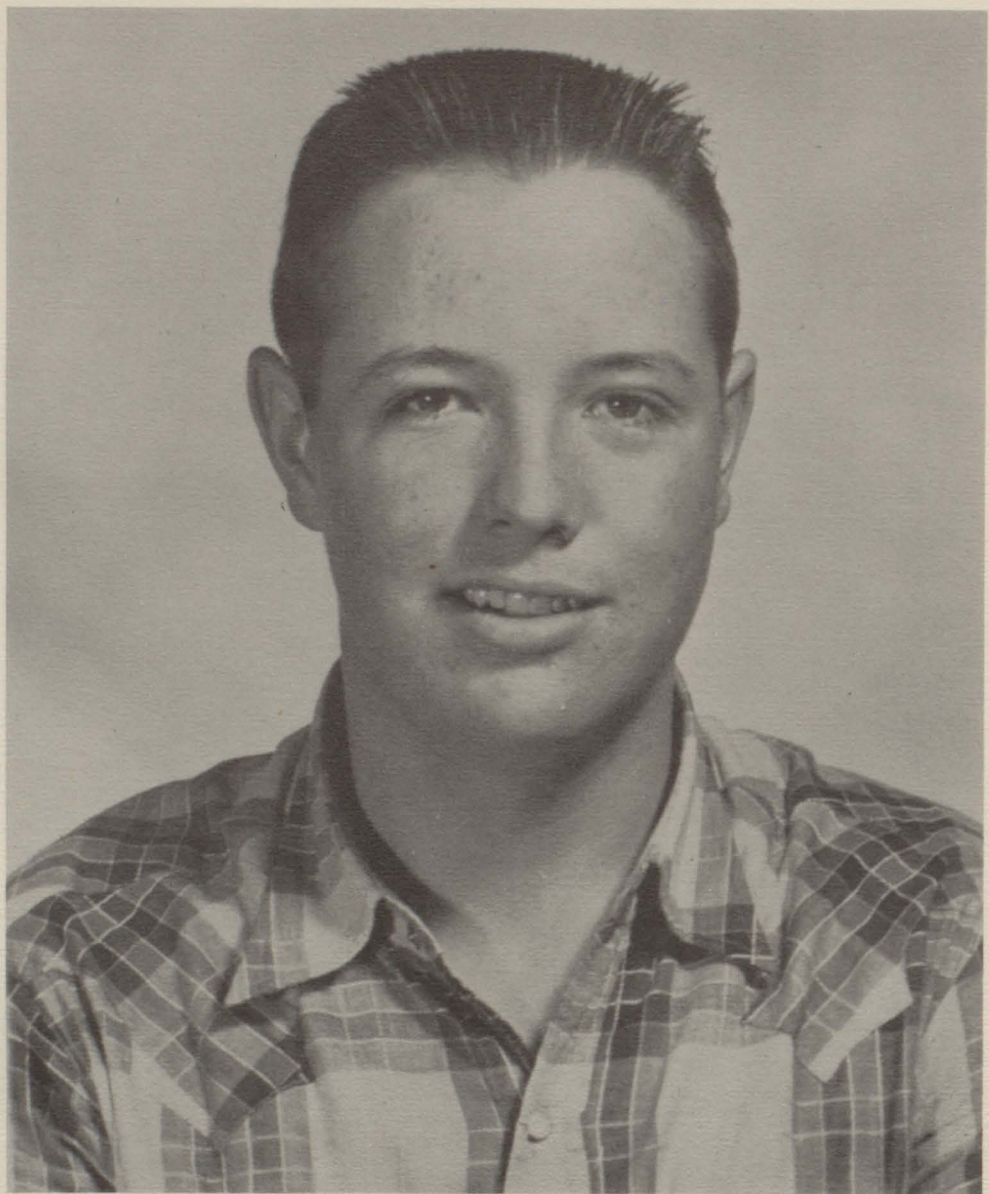

## DEDICATION

We are proud of our superintendent. His tireless energy has always been directed toward improving LHS. To each of us he is more than an efficient administrator. He is a co-operative pal, a best friend, and a loyal confident. Thanks to him, many of us have had the opportunity to view more of our nation. He has been a faithful helper of our band and class activities, as well as sports.

We gratefully dedicate the 1955 MOUNTAINEER to our superintendent,

MR. C. E. BROWN

## SUPERINTENDENT'S MESSAGE

Dear Students:

As you turn through page after page of your Mountaineer, and see the familiar faces and scenes, you will be reminded of many happy hours spent in pleasant associations with friends; your annual will become more valuable as the years come and go. I hope each of you will remember the years spent in Llano Schools as valuable time that helps you adjust to life throughout the years to come. I sincerely wish for each of you a place of value in our democracy, and that you will use the education you have acquired to develop the best possible, for your future.

People of a democracy support that which they understand and want. Wise educational leadership seeks ever widening involvement of people in formulating, evaluating and improving the educational program. I hope your years in Llano Schools have taught you to evaluate the things that may come your way and that you may be able to seek and find the best that life has to offer.

Sincerely,

*C. E. Brown*

## PRINCIPAL'S MESSAGE

Dear Students,

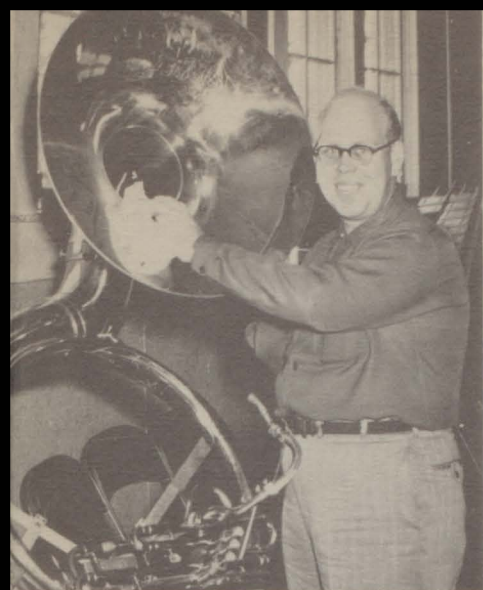

I've enjoyed my year at Llano High with you. I wish I could have known each of you personally.

Here's hoping the reflection of you this year projected into the future will help spell success for you.

Sincerely,

*R. J. Cogburn*

Some of the dignitaries of the Junior and Senior classes shown at the head table.

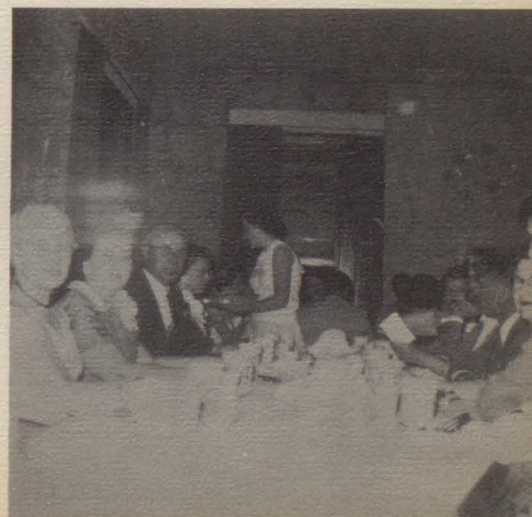

And they danced on the terrace to an orchestra from Austin.
