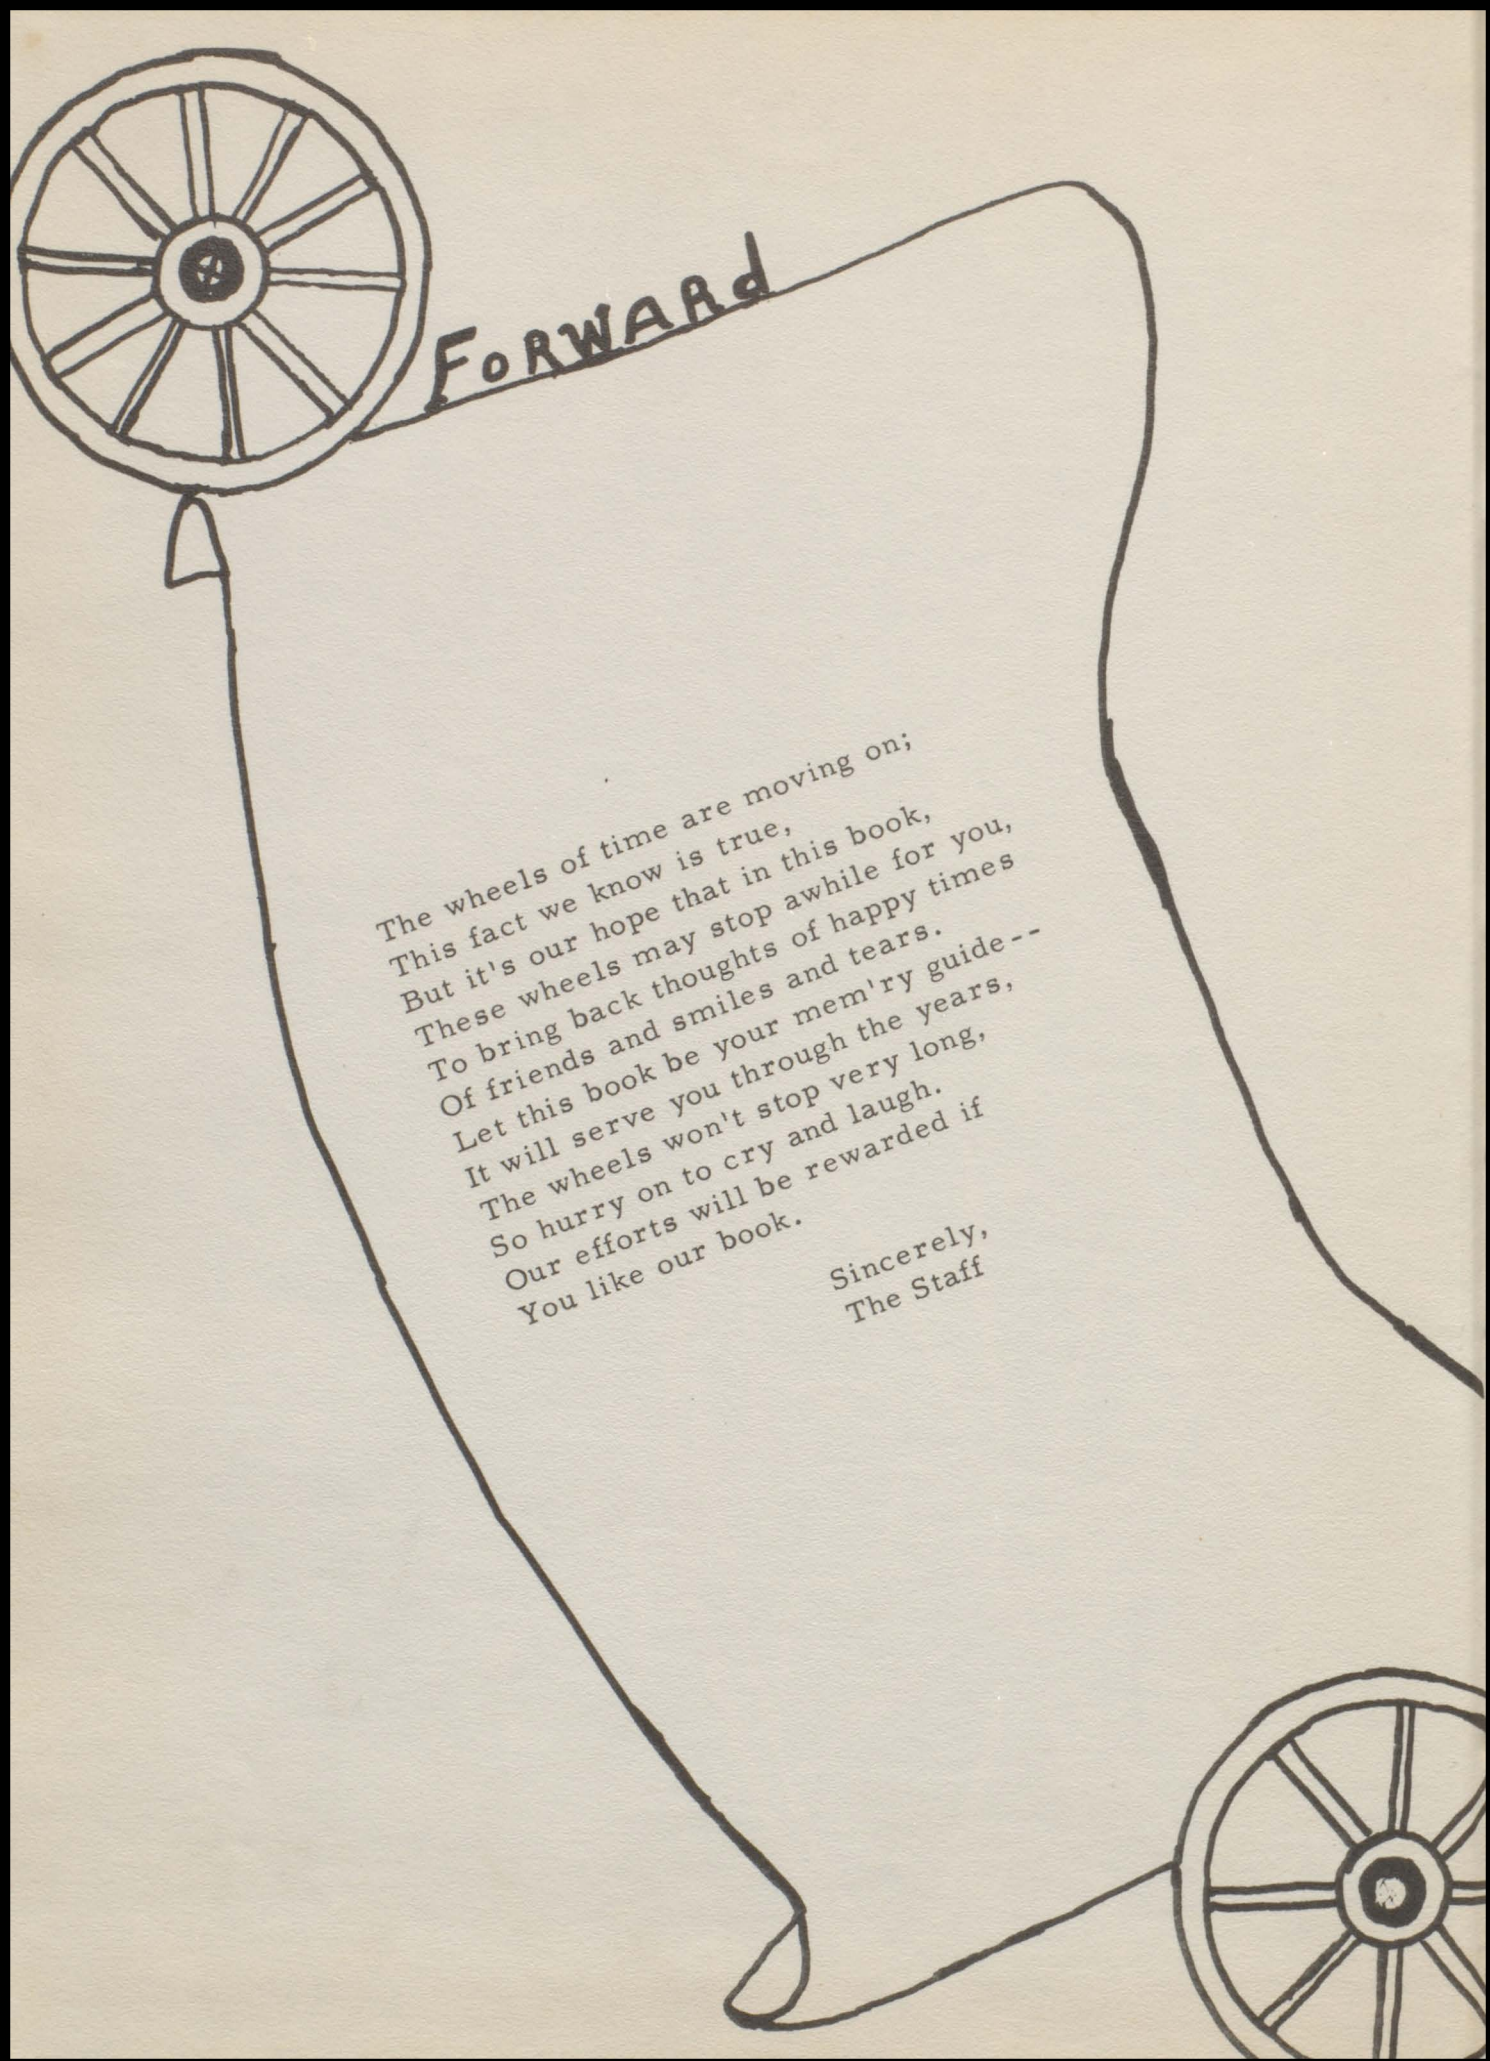
The 56
Portraiture



The wheels of time are moving on;
This fact we know is true,
But it's our hope that in this book,
These wheels may stop awhile for you,
To bring back thoughts of happy times
Of friends and smiles and tears.
Let this book be your mem'ry guide--
It will serve you through the years,
The wheels won't stop very long,
So hurry on to cry and laugh.
Our efforts will be rewarded if
You like our book.

Sincerely,
The Staff

Dear Students:

It has indeed been a pleasure to have worked with you for the last six years. Your attitude toward school and community work has been good and should be appreciated by the people of Llano County. I sincerely hope the future brings many good things to each of you and that the memories of your days in Llano Schools will be a pleasure to recall.

I shall be looking to the future to see many of you develop into leaders of your community in which you live. May the best in life be yours.

Sincerely,

C. E. Brown

Superintendent

Dear Students:

The "Wheels of Time" have carried us through another year, a year of many varied activities at L.H.S. I sincerely hope that you have enjoyed this trip through another year of your life as much as I have enjoyed working with you. It is my wish that each of you meet success on every journey which you undertake. Here's hoping you can, in future years, recall many happy times from the events pictured in this volume.

Sincerely,

R. J. Cogburn
