L. H. S. Forever

L. H. S. for-ev-er, firm, together Stand,
Come so true and faith-fal, Stand at league, We'll face the
world so fear-lessly Through the days that follow, We'll pledge our
Loyah-ty. For it's L.H.S. with all our might, We'll fight for Vic-to-ry!

KB.

The image shows a handwritten musical score for the song "L. H. S. Forever". The score is written on a scroll-like background with a dark, textured border. It consists of four systems of music, each with a vocal line and a piano accompaniment line. The lyrics are written below the vocal lines. The music is in a key with one sharp (F#) and a common time signature. The piano accompaniment features a steady, rhythmic pattern of chords and eighth notes. The lyrics are: "L. H. S. for-ev-er, firm, together Stand, Come so true and faith-fal, Stand at league, We'll face the world so fear-lessly Through the days that follow, We'll pledge our Loyah-ty. For it's L.H.S. with all our might, We'll fight for Vic-to-ry!". The initials "KB." are written at the bottom right of the fourth system.

Dorothy Hallmark has been a secretary in Llano High School for the past four years. She has been a devoted and tireless worker as well as a friend to the students. Because of her constant efforts to make this a happier and more pleasant place we gratefully dedicate this edition of the 1962 JACKETLAND to Mrs. Dorothy Hallmark.

SUPERINTENDENT'S MESSAGE

Dear Students:

The series of events portrayed herein will help you to relive many of the most pleasurable experiences of the year, and will serve also as a book of references and recall of these experiences as you review it frequently in years to come.

And in addition to preserving fond memories and happy experiences, it depicts your preparation for future experiences in a most interesting and functional way. This aspect of the book aids measurably to its greatness, for one of the real values of present events is to point the way toward progress and greater heights of achievement.

I truly believe that as the future places greater demands on your shoulders, you will meet them with courage and confidence equal to the task.

It is indeed a pleasure and a privilege for me to have a part in your preparation, and I stand ready to help as I may be needed in your future endeavors.

C. M. Nells

HIGH SCHOOL PRINCIPAL

The progress and the success of your school is determined by the individual student's progress and success, which is largely a product of the attitude and effort invested by the student in his school work from day to day. Each time a goal is reached, a new goal should be set up so one may continue to achieve, for happiness is founded very much in achievement and in service to others.

May this annual provide you many treasured memories of one of the most carefree times of your life---your school days---and may your school experiences contribute measurably to a life of happiness and success derived through such qualities as integrity, responsibility and spirituality.

It has been a real privilege and pleasure for me to have shared this year with you. Our prayers and hopes go with those of you who are leaving our school, and we trust that the traditions which will make Llano High School honored and respected for generations to come.

J. R. Chapman

JR. HIGH PRINCIPAL

Dear Students:

Here we are at the close of another school year. I want to express my thanks to the students, teachers, and parents for another very successful school year. We all had our problems and we will continue to have them. Life would be very dull without problems. Here at school and in our homes we learn to either do something about these problems or live with them.

To our eighth grade students we hope that you will continue your education and make even better students in High School than you have in Junior High. It does the Junior High Teachers good to see you grow in Knowledge.

To the fifth grade students we welcome you into Junior High.

May we all work together to make Llano Schools better.

Sincerely yours,

M. A. Montgomery

ELEMENTARY PRINCIPAL

Dear Students:

We now live in a complex world that offers great opportunities to you, the young people of today. In many respects we live in an era of pioneering much the same as did our forefathers. I hope that we, the teachers, and you, the students, have carried out our respective parts in such a way that you the youths of Llano High School might take your respective places in our world of today.

Our country is considered to be the wealthiest country in the world. You the youth of today are the greatest wealth that this country possesses. We the older people must have faith in you to assume your responsibility of tomorrow. One thing you must remember. You must carry out your present duties as youth in such a way as to gain the faith and respect of those that are your elders.
