Everyone boosts the ferocious teams in the Powder Puff Football game.

The mighty Junior Jaguars!

Nancy, Judy, and Donna are showing off their singing talent.

Watch out, girls! !

The useful Spanish lab was even better because of loyal leadership of Black, Wright, Bush, Moss, Allen, Gonzales, Ratliff, Balko.

The Senior Savages are happy about their victory.

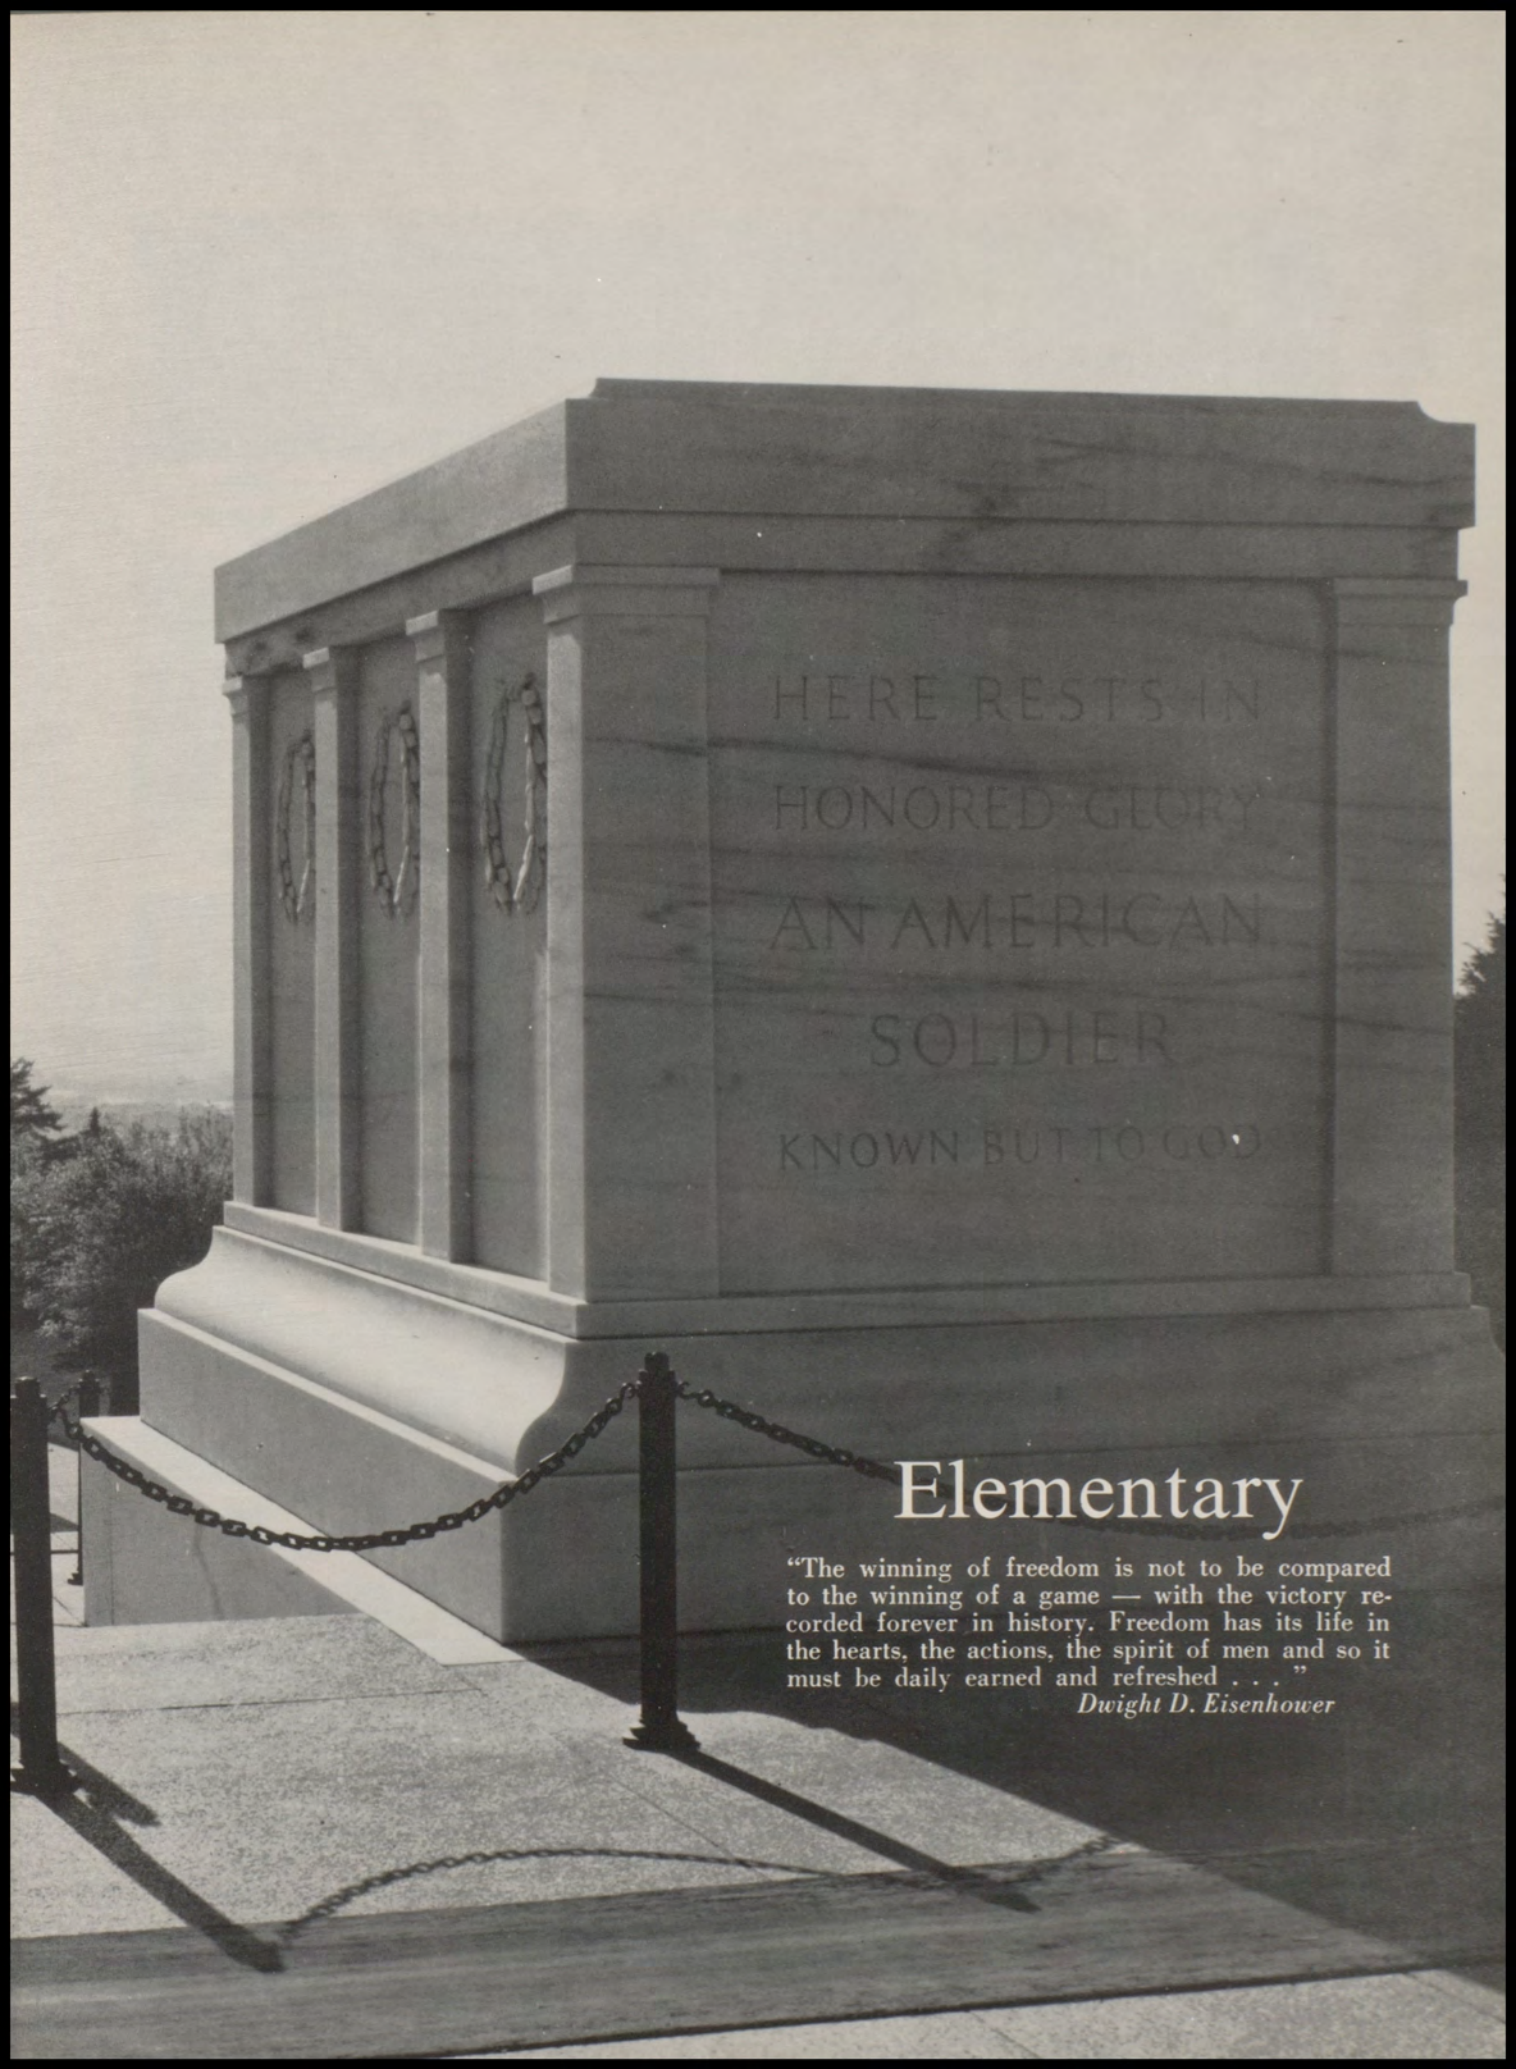

The Freshman F.H.A. play provided much entertainment.

Joyce Ann and Pam took advantage of the snow.

The four smiling "grade schoolers" at left above seem to typify everyone that ever listed recess as his favorite subject. All the fun of the playground seems captured in the picture at right above.

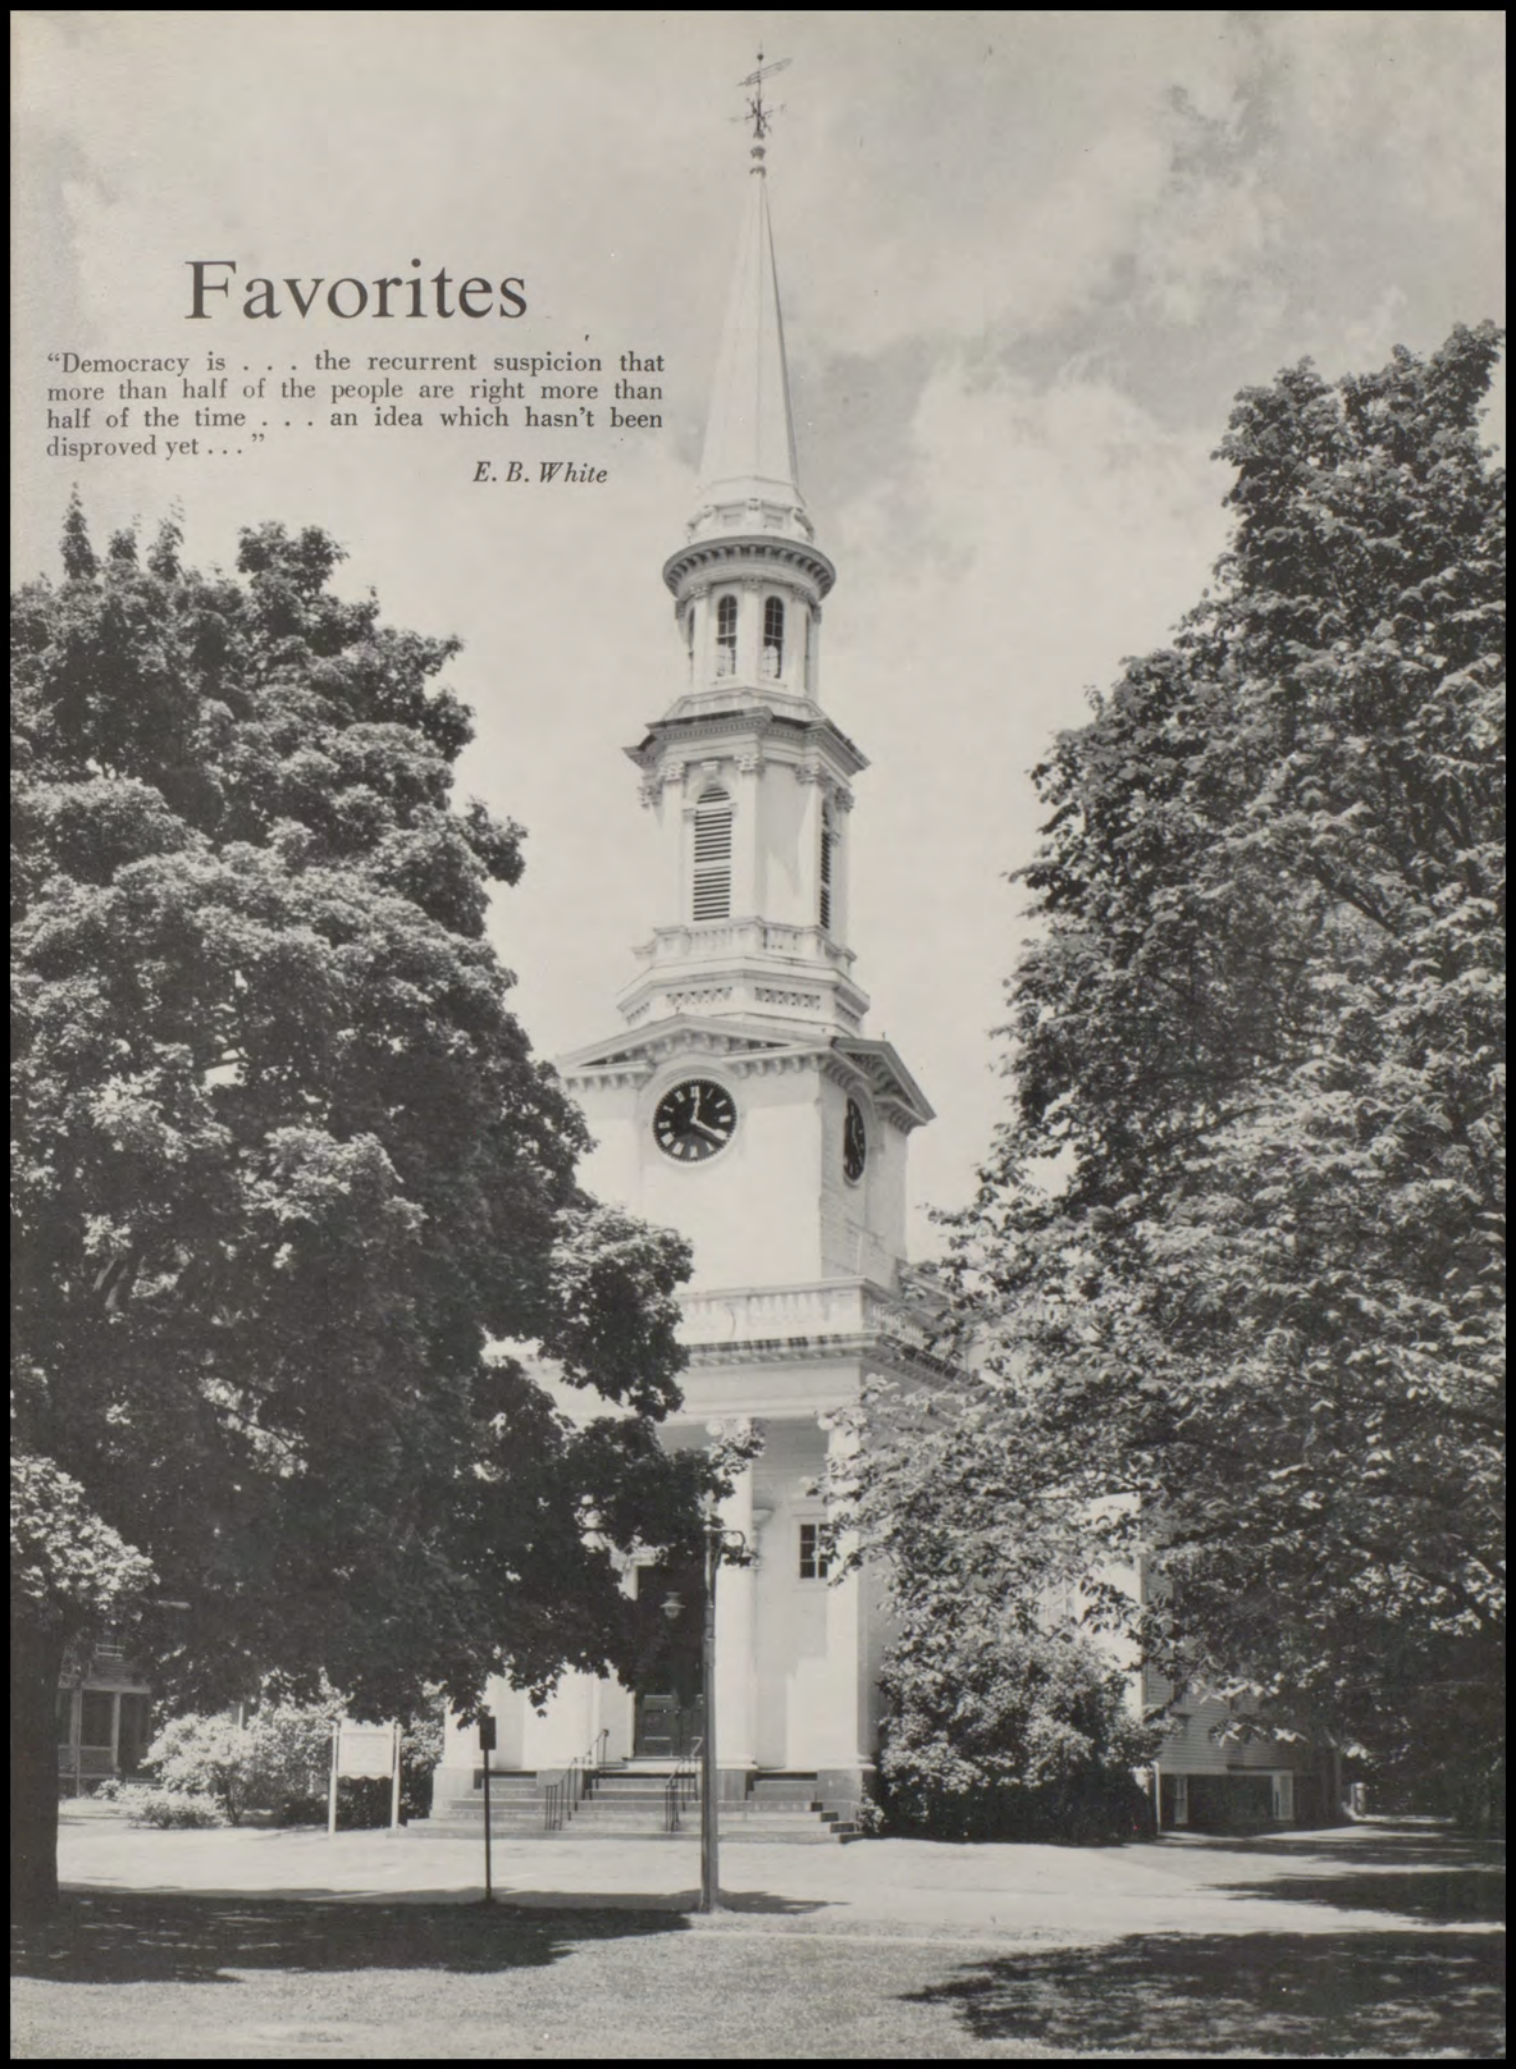

Music, too, is always a favorite for many, as shown in the picture (bottom left) of the music room. All the fun of Western Day is symbolized by the picture (at bottom right) of Mr. Beatty's students.

Coila Moss gives the history  
of the 1963 Senior Class.

IN CONCLUSION . . .

We, the 1963 Jacketland Staff, have done our best to compile the year's events for your enjoyment. We have tried to think of a few new and interesting ideas to catch and hold your attention.

It has required the co-operation of our sponsors, students, staff, and those who have contributed their support through advertisements. We wish to thank you who have helped us.

As our high school years draw to a close, we look back upon these wonderful years as students of Llano High School with fond regret. This annual, Jacketland, will serve as a lasting memory.

Your Editors,

*Coila Moss*  
*David Morgan*
