ADVERTISEMENTS

It took a man with deep integrity, strong perseverance, and a progressive attitude . . . a man whose life centers around what he teaches, who is willing to unselfishly sacrifice extra hours to build a better school and to build character as well.

To the man who holds these high qualifications, we, the Annual Staff, respectfully dedicate this 1964 Jacketland to

MR. ALBERT LANGE

Because of the efforts of this versatile young man, ours is a school of higher ideals and many realized ambitions. He has served in varied capacities in his four short years at Llano High School, each time making an important contribution to the activity in which he participated.

In the athletic department, Coach Lange has served as head basketball coach, assistant football coach, track coach, and physical education teacher. In addition to coaching, Coach Lange has sponsored the Llano chapter of the Future Teachers of America and the senior class for the past two years.

In the academic field, Mr. Lange is truly well qualified. He earned a Bachelor of Arts Degree and Master of Education Degree from Southwest Texas State College. He won a scholarship from the National Science Foundation to attend a math institute in Kansas in the summer of 1963. He has taught general math, Algebra I, and driver's education in Llano High School.

As an administrator, Mr. Lange holds a certificate in school administration. He accepted the position of principal of Llano High School at mid-term of the 1963-64 school year. He held the office of president of the Llano chapter of the Texas State Teachers Association for the year 1962-1963.

TO THAT TIME

To the moments of love and laughter and life,

To the hours etched upon our memories

With fine, clear lines -

Days of fun and friendship,

Of quick smiles and warm handclaps,

Caught up in Time's enchanted loom,

Woven, shining thread upon shining thread,

Into cloths of gold:

To the years you spent with us

And taught us and coached our boys,

Years we listened and grew wise,

Young years - short years,

We commemorate this volume of

Jacketland.

COACH BOYD MURPHY

Mr. Murphy captured the admiration of all students and teachers with his wonderful personality. He loved teaching and through this he has left a permanent mark on all that knew him.

OUR SCHOOL HAS MANY FACES . . .

THE CONFUSION . . .

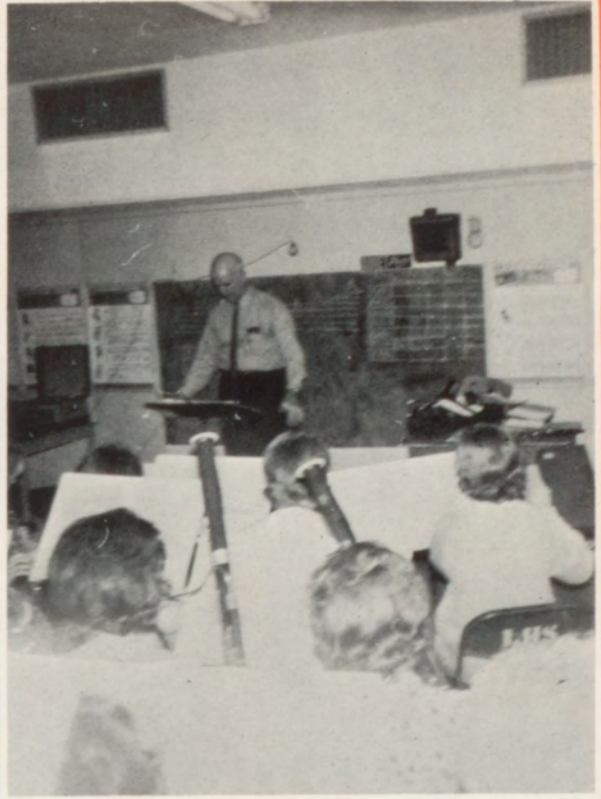

THE CONCENTRATION . . .

THE SOCIAL . . .

THE COMPETITION . . .

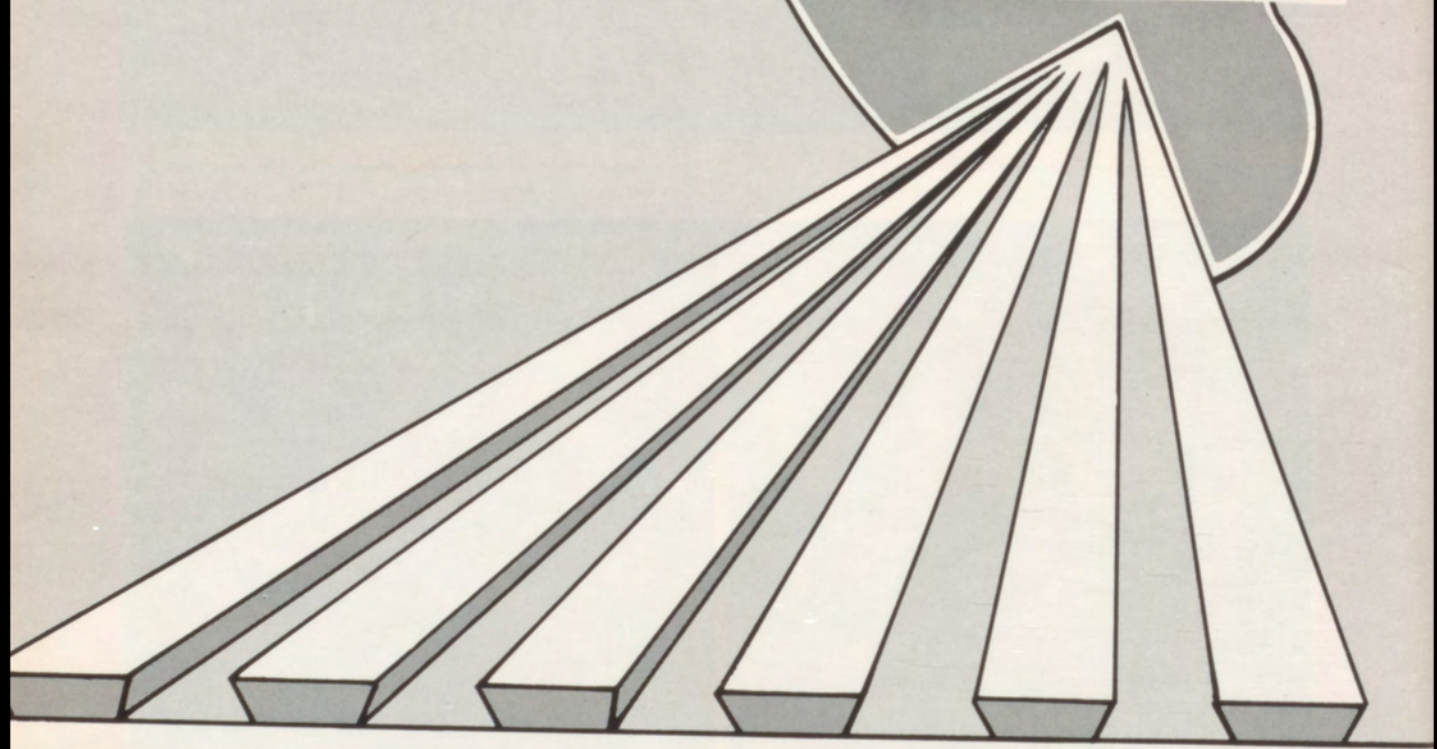

THE MUSICAL . . .

THE PARTING . . .

THE END.
