DEDICATION

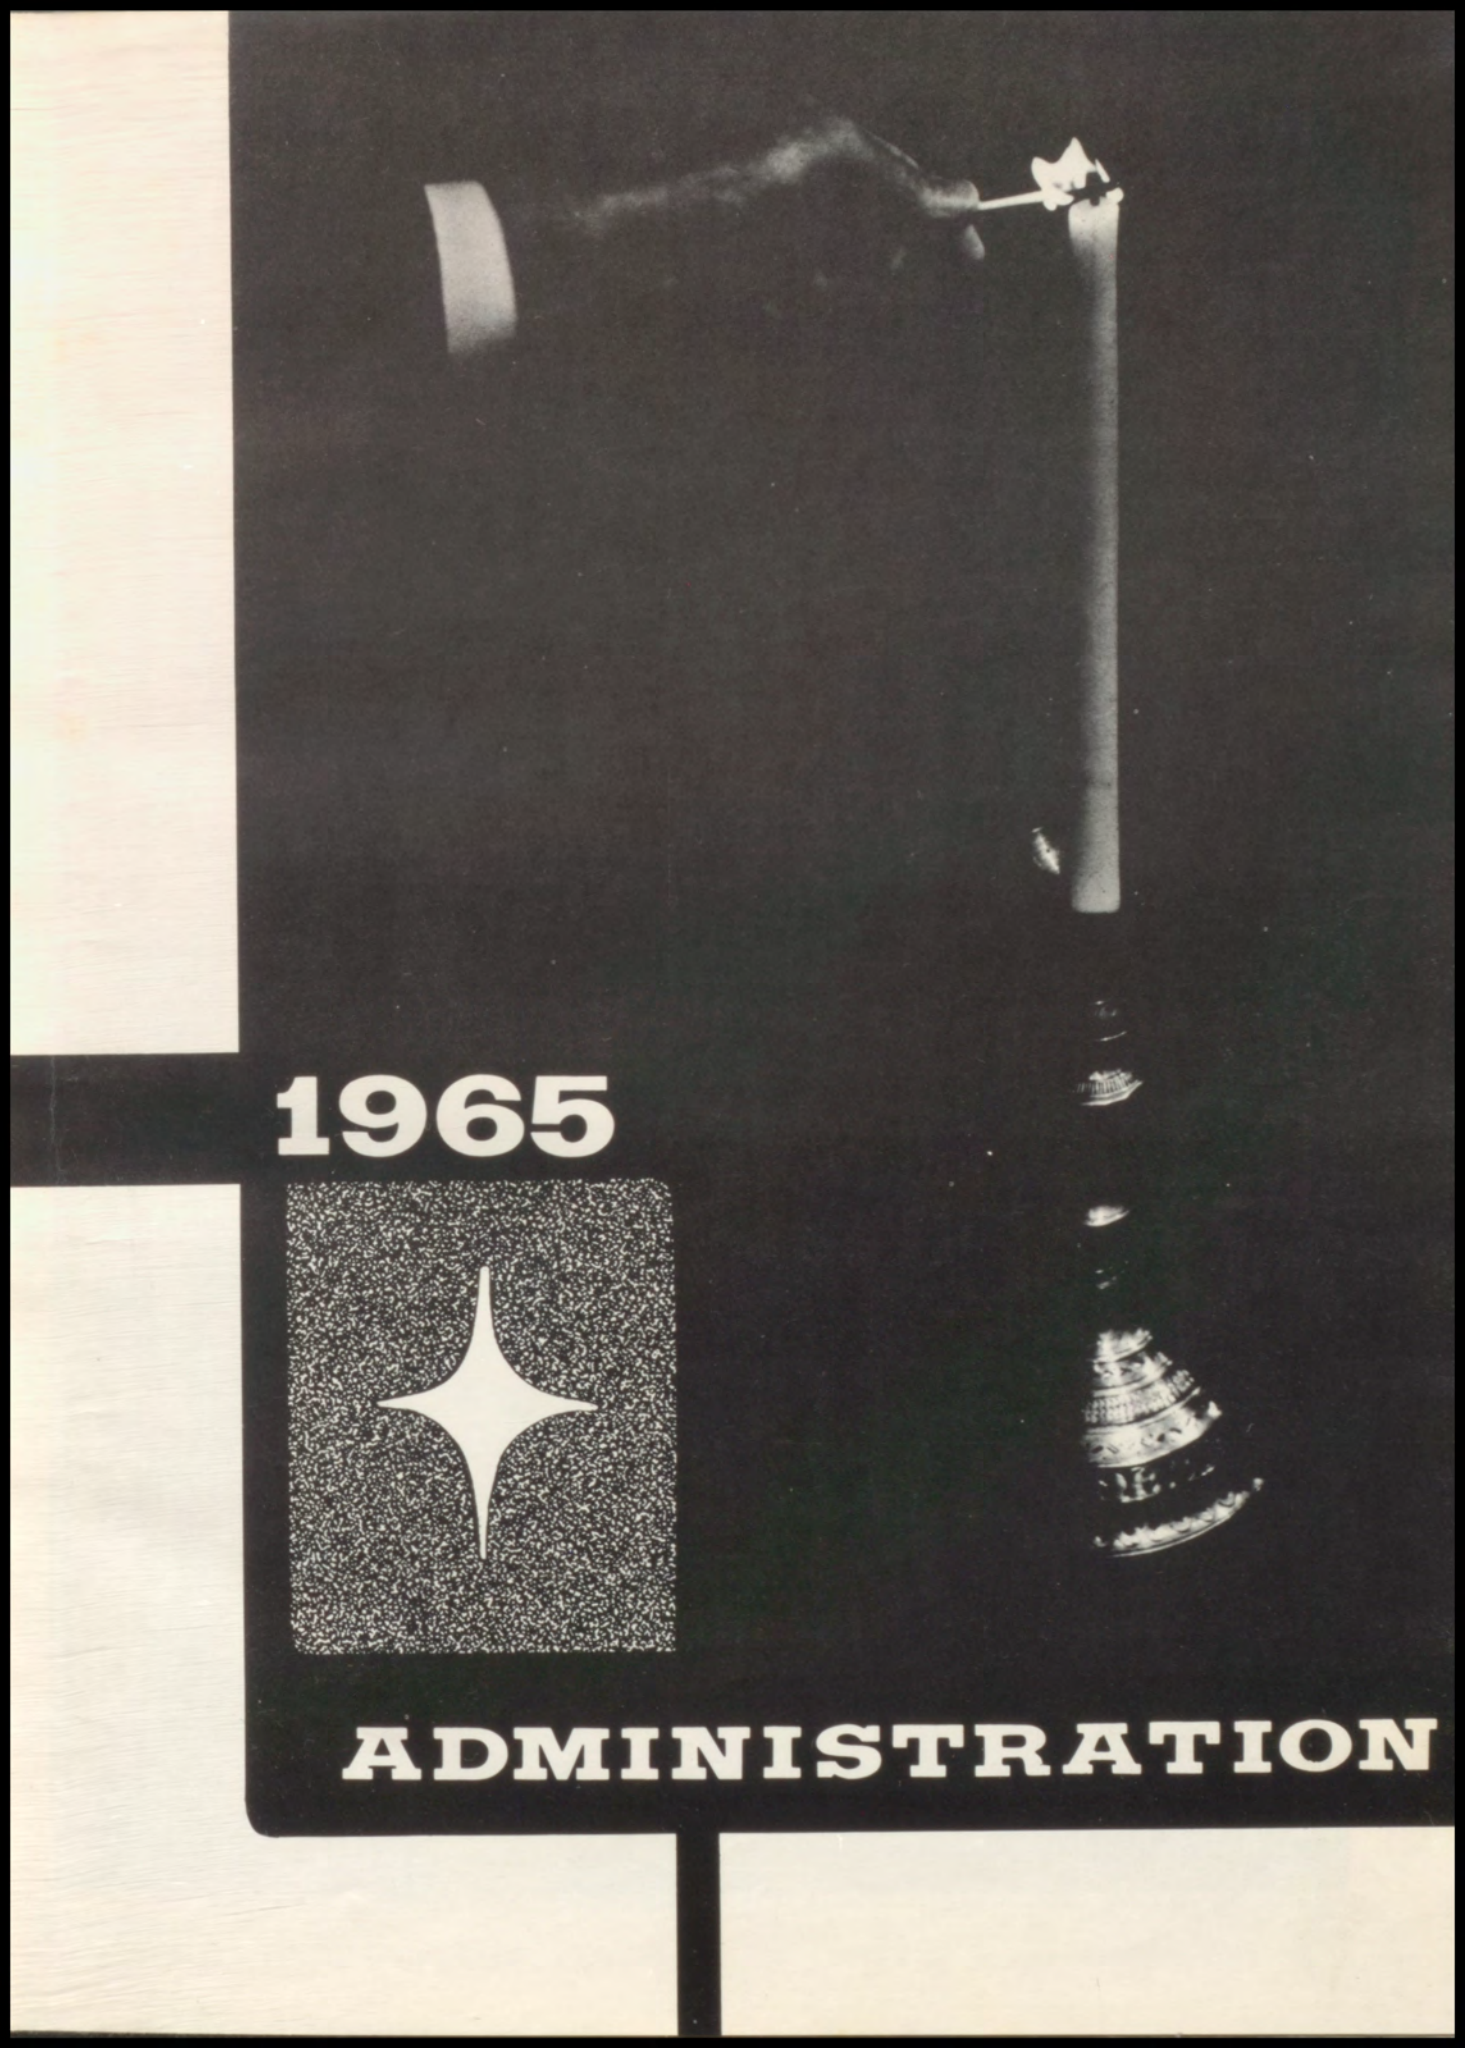

We, the Annual Staff, proudly dedicate this 1965 Jacketland to

MRS. PAULINE RATLIFF

Her hard work as both teacher and librarian has earned her the respect and love of everyone.

A black and white photograph of a hand in a dark suit sleeve holding a lit torch. The torch is lit, and a small flame is visible at the top. The background is dark, and a bell is visible in the lower right corner. The overall composition is dramatic and symbolic.

A black and white collage of school-related items. In the upper left, a book cover with the word "ALGEBRA" is visible. To its right, an open book is shown with the words "English" and "Action" on its pages. Below these, a lit candle sits in a glass holder. In the background, a classical building with columns is depicted. The entire collage is set against a dark background with a light-colored border on the left and bottom.

Dear Readers:

I sincerely hope that you experience as much pleasure reading your yearbook as I experienced being your editor. This year the Jacketland Staff has tried a number of new things. The Staff wishes that each of you find these new changes to be for the better.

Also, the staff and I would like to thank each of you for your co-operation as well as the merchants of Llano, who have been so wonderful to us, for without their help we would be lost.

In addition to those mentioned above, I would like to thank each staff member who so graciously and capably did her job. However, most of all, I would like to thank Mr. Vernon Turner, our sponsor, for without him there would be no annual. Also, a huge debt is owed to the faculty, who let us disturb classes when necessary to take pictures.

Moreover, I want to wish each of you the best the future can hold.

Sincerely,

A handwritten signature in cursive script that reads "Janeane Raesener".
