If you think you are beaten, you are;
 If you think that you dare not, you don't;
 If you'd like to win, but you think you can't,
 It's almost certain you won't.
 If you think you'll lose, you've lost;
 For out in the world you'll find
 Success begins with a fellow's will.
 It's all in the state of mind,
 If you think you are outclassed, you are,
 You've got to think high to rise;
 You've got to be sure of yourself
 Before you can ever win the prize.
 Life's battles don't always go to the
 Stronger or fastest man;
 But sooner or later the man
 Who wins
 Is the man who thinks he can.
