FOREWORD

The combination of all the events of the 72-73 school year is what the 1973 YELLOWJACKET actually is. These pictures along with the many others found thru this annual display all the emotions that school brings out in its students. The 1973 YELLOWJACKET STAFF has done its best to graphically illustrate this past year of school. We sincerely hope that you and your friends will enjoy seeing yourselves in one of the most memorable years that LHS has ever had.

Students have been known to many strange things while in high school. Getting a suntan in the snow or beating a car to death with a club is not the least bit unusual. Such events and occurrences are simply known as STUDENT LIFE.
