1975

L. H. S. FOREVER

L. H. S. forever, firm together stand,  
Come so true and faithful, stand at league:  
We'll face the world so fearlessly,  
Through the days that follow,  
We'll pledge our loyalty.  
For it's L. H. S. with all our might,  
We'll fight for Victory!

## Llano High School

### FOREWORD

Often in the future we students shall look back upon the days spent at Llano High School with fond remembrances. To aid in recalling the events which thrilled and sometimes saddened our youthful hearts, this yearbook was published. It tells our story, our activities, our pleasures in picture form.

WE DEDICATE THE 1975 YELLOWJACKET TO  
MRS. PAULINE RATLIFF

We have made this choice because of our deepest respect and admiration for you. You have involved yourself with us not only as a teacher and librarian but much more important, as a friend, willing to share with us joy and sadness, experiences of glorious victory and bitter defeat. WE will truly miss your presence on the faculty of LHS.

#### THE CLASS OF 1975

When we began our careers at Llano High, we established an identity of who we were and what we did as individuals, groups and a student body. We entered as green Freshmen with anxieties, fears and excitement for our new surroundings. As Sophomores and Juniors, we acquired the confidence that comes with experience and began to look forward to becoming serious.

After our days of pride and glory as mighty Seniors, we leave Llano High--some happily, others stricken at a thought of leaving a place so full of special friends and memories . . . but the precious memories of who we were and what we did in 1974-1975 will linger in our minds forever.

Marvin Atlas shows his best profile.

Hey Coach can you do this!

Faye is making eyes at the photographer again.

Gerald is going to find out about this.

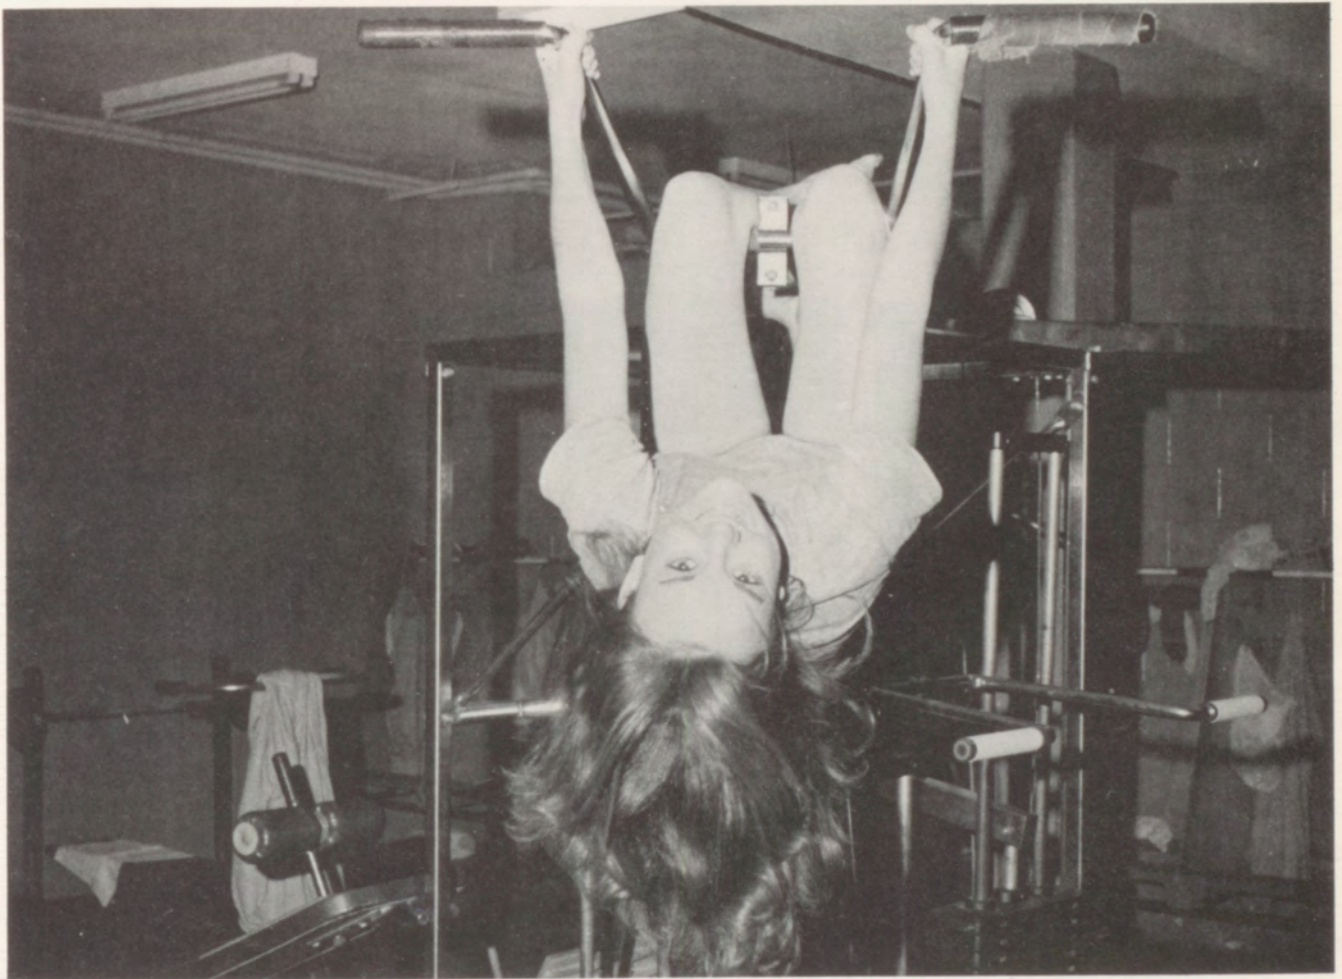

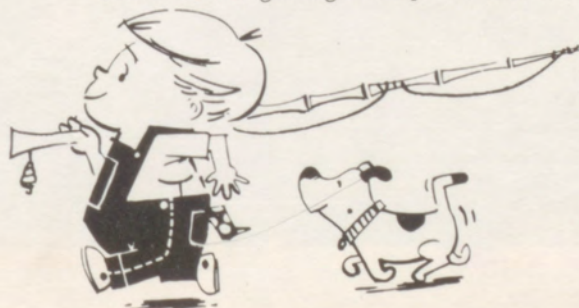

Slim hard at work, as usual.

Whoooooo!

MISS L.H.S. getting in shape for TAYLOR U.

ONE WINDY DAY IN MARCH . . .

THE FISH WERE OUT . . .

AS WELL AS JRS. TRYING OUT THEIR WINGS . . .

. . . TRYING . . .

. . . TRYING . . .

. . . OH, WELL . . .

LIFE is just one fool  
thing after another--  
Love is two fool things  
after each other.

THERE HAS TO BE A BETTER WAY  
THAN WOMEN'S LIB: I'M LEAVING.

But the bonfire proved to be a hot  
one with a lot of SPIRIT.

# The Fifties Day

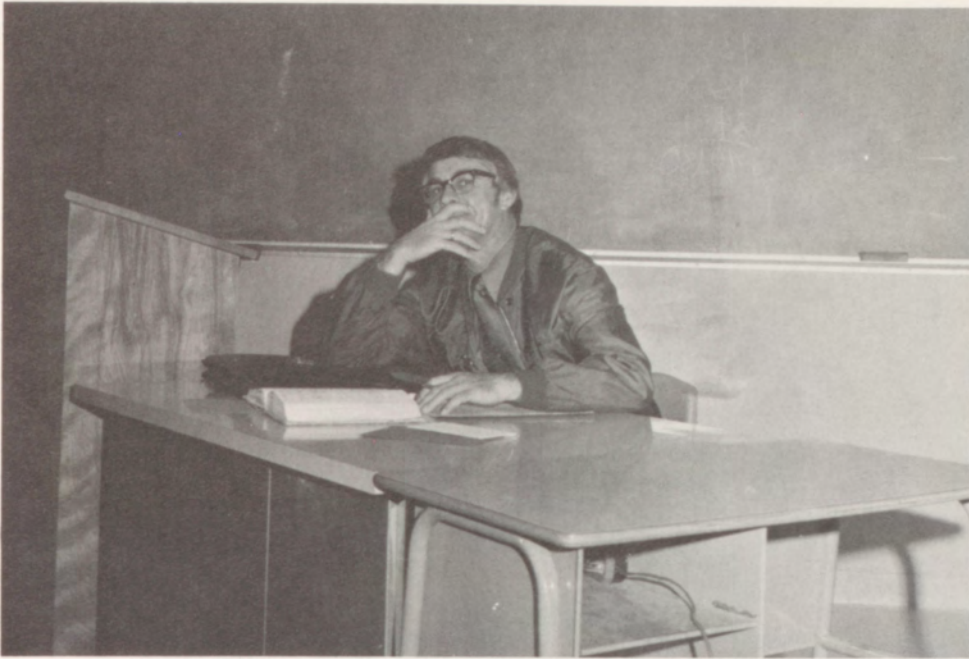

Like  
Father  
Like  
Son

Janie and Curtis must have had the same spelling teacher.

I wonder what Coach is thinking about?

No I don't !

I don't think that we'll ever pull her up, do you Marvin?

All I want for Christmas is my two front teeth...

Cathy S. awaits her turn.

Don't  
sing  
quite  
that  
high  
Debbie.

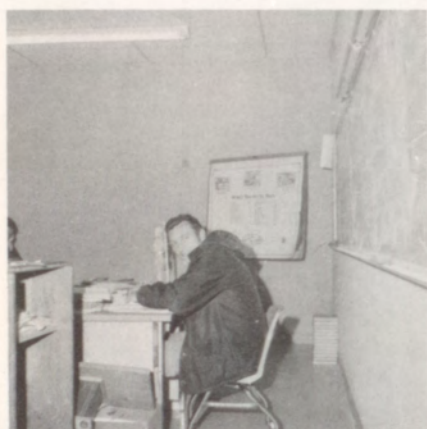

Hey  
Kelly is  
that thing  
housebroken.

Otto practicing up for Muhammad Ali.

Grrr.....

Ah that was nothing.

Blowhard Stevenson at it again.

Mr. Wagner!! The bathroom is down the hall and to the right.

The average Monday morning class.

These freshmen are making astronuts of themselves.

Hazy Dreamers singing at intermission of Junior Play.

Come on Rhonda, give it back!

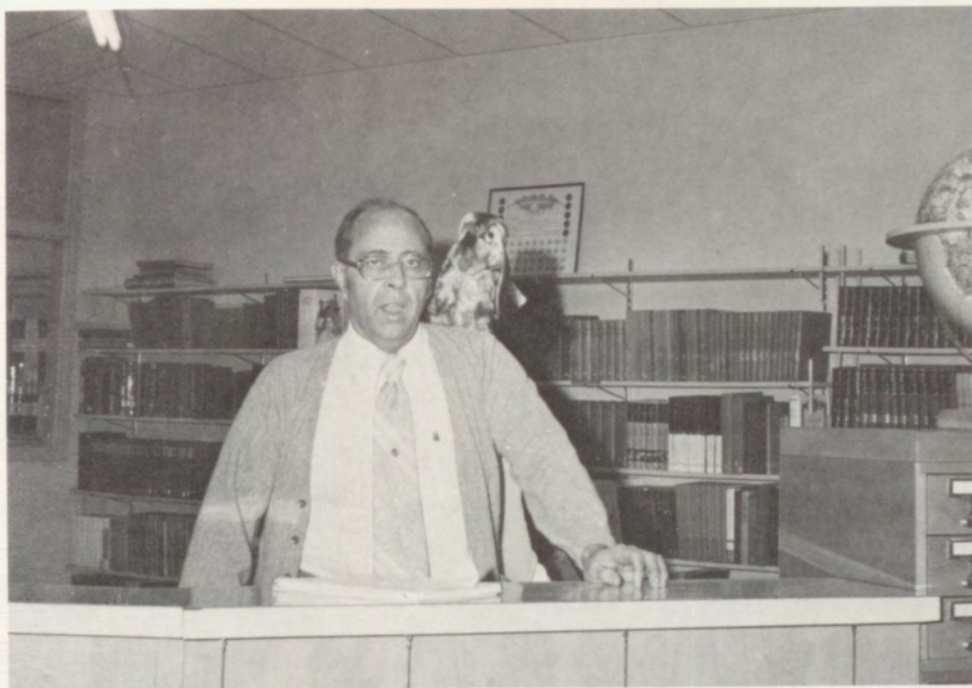

Proud bird with a golden tail.

Look I hooked a big one.

Brother and sister  
competing against  
each other.

His bark is worse than  
his bite.

Up against the wall Redneck  
Herridge.

Come on you guys say whiskey like Marvin.

Calm down freshmen.

"Onward Christian Soldiers, Marching on to war."

Mud Studs strike again!!!

Please!!! Put your shoes back on.

Mr. Simpson strikes again.

Robbie's new breed of sheep.

That's a black mark for you.

Oh, that one stunk.

Give me an "L".

Lunch was an hour ago Kathy.

Now, that's what I call teamwork.

Now if I were to diet...

signs of help  
"applauding!"

Never expect to go  
over to the other side  
till you have learned  
how not to go over  
yourself

thinking out  
of the box  
and labeling

labeling  
them in new  
directions

think the  
best force for  
change

is an  
individual  
standing  
in self

and still  
be some  
body

why  
to

try  
I will  
do  
better  
I must  
do  
better

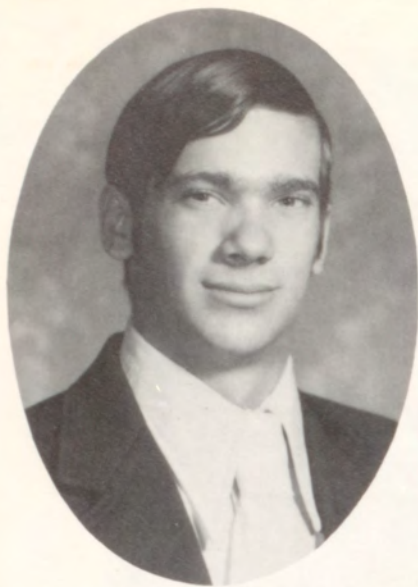

we have the power  
to make this the  
generation is  
to make it.

one thing that a  
 me are that I  
 optimistic. This is  
 hard to keep in  
 typical atmosphere  
 blind to her. Of  
 all are cynical. The  
 resistance of my  
 is just a front  
 mou faith in its  
 potential.  
 and why should it  
 everything has a rig.  
 be given a chance, and  
 it has worth, then it's  
 OK? OK...
