Getting 'Round to Feelings

The year began with the softened grumbings about returning to school. It ended with shouted hoorays, May 29th with the graduation of the Class of 1986.

Infinite emotions were generated throughout the year felt by Seniors, Juniors, Sophomores, Freshmen, Administration, and Faculty alike. Sometimes these emotions prompted actions. Running that extra touchdown yard, making new friends, or even asking someone for a date required self-confidence. Taking a driver's license test, studying for that final exam, or simply remembering that special friend's birthday simplified or complicated daily life.

Shared emotions generated throughout the year from that first day to the night of graduation. Those emotions which spurred actions affected all who experienced everyday occurrences as the year abounded with feelings.

big happy family!!

An enlarged staff of teachers and administrators helped this year meet challenges and changes.

Through the many changes such as shorter lunch hours, new teachers and more credits; the administration helped students to adjust.

We commend these leaders on their persistence in pushing us to strive for excellence.

SENIOR CLASS SONG 1986
"MOVIN' ON"

Seemed like such a long time.
Now it's here.
The best times of your life
Slowly disappear — with time.

This is your magic moment
Here at last.
Made it through twelve long years.
Gotta leave the past.

Now the easy part's behind you,
So spread your wings and fly.
The challenges that lie ahead,
New things that you will try.

It's a sunset and then a dawn.
Together we've grown,
But now we must move on.

Remember the good times we had.
Now and then.
Remember the hard times we faced.
Remember when.

Sometimes you just want to stop.
You really don't know why.
Something will keep you going.
The best you'll always try.

It's sunset, and then a dawn.
For the best, we'll be known,
After we move on . . .

Keeping Good Times

'Round—Yearbook Staff

"How 'bout 'Keeping Good Times 'Round' " proclaimed Julie Brewer. "Yeah!", were the words that greeted her. From then on, the 1985-86 Yearbook was acclaimed with that title.

What is life like with these twelve high school girls? "Total CHAOS!", quipped Karla Hallmark; and chaos it was. Deadlines, arguments, and lost photos are just a sample of what was experienced in that small manilla-covered room; tucked away at the end of the hallway.

Yet, we learned to live with each other. A special experience was shared and even special friendships were developed. There is nothing like the feeling of accomplishment, especially among friends.

TEAM SPIRIT IMPROVES WITH HARD WORK AND BETTER ATTITUDES!!!

This year's Varsity finished in a greatly achieved 5 & 5 season. This season was a definite improvement from last year's, 1 & 9. One of the Varsity's major accomplishments was a narrow victory over Comanche for a thrilling Homecoming win. This has not been achieved in four years. Let's all hope this is a new beginning to more victories in the years to come.

What a monumental task to produce this book when the entire staff and sponsor were all "green." Having 12 special girls as the staff made the sponsor's task so much easier. We apologize for the inevitable "goofs" and we thank all who helped us keep the good times 'round.

We owe many people our special thanks:

1. Barbara Stovall designed and painted our cover.
2. The Llano News, James Price of Kingsland PhotoKwik, Village Pharmacy, Llano Pharmacy—film, developing, and pictures (The Highlander).
3. People who took and provided pictures: Coach Cavalier, Coach Streckel, Coach Vanderford, Marcus Hammons, George Mayben, Carolyn Goodson.
4. Mr. Hill was always helpful and encouraging.
5. Mrs. LaDon Tinsley kept us "together" with finances and just plain support.
6. Susan Beaubien and Kim Harlow gave office assistance.
7. Thanks, again, all our advertisers!
8. Bettie Berry for use of camera, special lens, pictures, film, and extra help.
9. Mr. Harry Kiki, Photographer, Austin for slides and special emergency help.
10. LHS Faculty for patience through many class interruptions.
11. Mr. Dick Jacks and Newsfoto for "spoon feeding" a new staff through all our problems.

The Year Comes to an End . . .

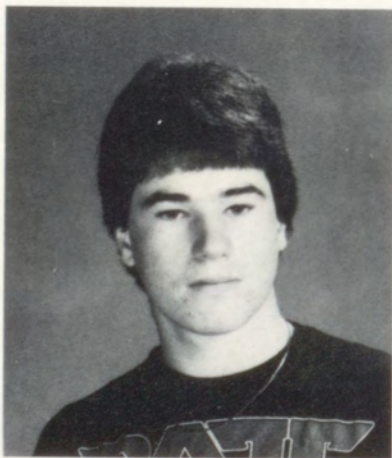

Keep The Good Times 'Round is hopefully a book that will preserve your memories to their fullest. Friends, faculty, and their relationships play an important role in your school year. These relationships are something that you will always want to remember and we've worked hard to accomplish this on each page of the book.

I would like to thank all of the girls on the staff for their help and support throughout this year. I would also like to thank Mrs. Croker, our sponsor. She put in the most hours and supervised every page from top to bottom.

The staff would also like to thank all of the high school teachers who showed patience and understanding while schedules were bothered and interruptions were made during 1985-86.
