SENIOR CLASS SONG 1988

"Friends"

By: Michael W. Smith

Packing up the dreams God planted,
In the fertile soil of you;
Can't believe the hope he's granted,
Means a chapter in your life is through.

But we'll keep you close as always,
It won't even seem you've gone;
'Cause our hearts in big and small ways,
Will keep the love that keeps us strong.

With the faith and love God's given,
Springing from the hope we know;
We will pray the joy you'll live in,
Is the strength that now you show.

And friends are friends forever, if the Lord's
the Lord of them; and a friend will not
say never, 'cause the welcome will not end.
Though it's hard to let you go, in the Father's
hands we know, that a lifetime's not too long —
To live as friends.

To the Class of '88

I cast a pebble into a stream and watched
 as it sank quietly, like a dream.
 Yet, round its entrance into the blue,
 a circle started, and grew, and GREW!
 I gazed in awe as the ripple spread, gaining width,
 and a grandeur totally unplanned.
 The effect of the ripple — now a small rolling wave —
 was to reach out and clamor for a faraway cave.
 It glistened and swirled and reached for the bank,
 then splashed ashore with a beauty and grace,
 That made me want to return to this quiet, lovely place.

Though a quick, passing action, this pebble-made wave,
 the lesson I gleaned will not so quickly fade.
 If we cast ourselves into life's boundless maze,
 and give all we have, whether criticized or praised,
 We're bound to make a difference — one of these days!

We've started our ripples.
 Great possibilities lie beyond.
 Let's CATCH THE WAVE — not float with the tide.
 Success beckons us —
 Let's grasp it with pride!

— Mrs. Betty Bauer
 (Becky's mom)

District was held in Marble Falls, and Regional was held in Odessa.

The team: Seated — Kristi Edwards, Allison Pike, Lori Kolb, Meagan Redford, Amy Stewart, Kari Graham, Sharla Robinson, Janet Burke, and Jackie Kubiak. **Standing** — Coach Stovall, Kade Miller, Richard Houston, Tommy Stovall, Brett Almond, Jesse Schwintz, Ricky Inman, Roger Thurmond, Ruy Martinez, Davis Staedtler, and Keith Reininger. Not Pictured: Charles Cook, Jeff Langham, Wes Sutton, Billy Lewis, Julie Tribble, and Shannon Hatfield.

Jim Bob Dishman was effectively **switched off** the golfing circuit due to a **battery** of electrifying experiences, which **shocked** and **illuminated** us all (especially our **current hero**.) It was a severe **jolt** to the team and to the man in **charge** who **fused** them into a team bound to "**volt**" to the top. They were barely able to hold their "**ohm**" against the **resistance** without him. Well, Jim Bob, **watt's** next?

SEPTEMBER

LLANO
HIGH
SCHOOL

Congratulations,
Sabrina Glasgow,
We're proud of you
Love, Mother & Powell

With the finishing of our third book, we hope we have produced a book that is a good representation of our 1987-1988 "Catch the Wave" at LHS. My twelve-member staff did a fantastic job of putting this book together. Thanks, gals and guys! We apologize for the inevitable "goofs," and we thank all who helped us with the many problems we encountered in preparation.

We owe many people our special thanks:

1. Cheryl Roberts Raschke (former LHS'er) who designed and created all phases of our cover.
2. Fred Taylor and The Llano News always came through with needed pictures.
3. Village Pharmacy and Llano PhotoKwik printed pictures for us when we needed them "yesterday."
4. James Price of Kingsland PhotoKwik developed film for us.
5. So many nice people provided extra pictures for us: Terry's Photography in Burnet, Bill and Phyllis Almond, Misty Oates, Felicia Wagner, Carolyn Goodson, Nita Spivey, Gaylene Simpson, and many others.
6. Mr. Hill was always there for us with encouragement.
7. Mrs. LaDon Tinsley kept us "together" with finances and just plain support.
8. Thanks, again to all our advertisers!
9. Bettie Berry and Gaylene Simpson loaned cameras, provided special lenses, pictures, film, and gave extra help.
10. Mr. Harry KiKi, Photographer, Austin, made slides, and gave special emergency help.
11. Thanks Yvette Moser (staff 1986-1987) for emergency help.
12. LHS faculty, you were super this year through all the many interruptions!
13. Thanks Jennifer, Dick, and Linda Jacks, Paula Wilde, and Newsfoto for helping us. Without you we wouldn't have this book.

A yearbook is a lifelong preservation of high school memories and we tried to put together the most interesting. Our theme this year was "CATCH THE JACKET WAVE" and I hope you caught it with each and every page. As editor, I would like to thank my wonderful staff for all their hard work and dedication. I couldn't ask for a finer group of people. I also want to thank Mrs. Croker for her help in the supervision of our book. I extend my thanks to the faculty for allowing numerous interruptions. This yearbook was a lot of fun and I hate to see it end, but as with all good things, it must.
