### SENIOR CLASS SONG - 1991

"These are the Times to Remember"

We know we'll be friends for life,  
Sharing our dreams together  
As we walk down the road, we'll never think twice,  
These memories are made forever,  
Though we're off to different worlds,  
Somehow we're together,  
Though we're never far apart,  
Cause deep within our hearts,

These are the times to remember,  
The memories will last for evermore.  
These are the times to remember.

It's a part of our life you can recall,  
These are the times with happy tears weary.  
As we reach for the stars together,  
We live by a code to stand side by side  
And it just keeps on getting better.  
When we're off to different worlds,  
Somehow we're together,  
Though we're never far apart,  
It's deep within our hearts.

These are the times to remember,  
And memories will last forever more.  
These are the times to remember,  
Cause it's in our hearts forever more.

Yes dreams do come true,  
But it's up to me and you.  
When we look back on all these times,  
Where happiness will shine through.

These are the times to remember,  
The memories will last forever,  
These are the times.

## The Bell

The 1990-91 Student Council's major project was the restoration of the old school bell. The bell was first used in the 1890's at the O'Henry Building. Then in 1920 the bell was replaced by an electronic one. The bell was forgotten in storage until the early 70's. It was then used in pep rallies. With its 1990 restoration of "The Bell" will be a symbol forever, thanks to Mr. Hallmark and the Student Council.

### EDITOR's and SPONSOR's CLOSING

Another June 8, and LHS' oldest organization completes another yearbook. School is out and the staff scatters when it comes time to complete the book. Thanks to Norman, LeAnn, Michelle, and Kevin for end of school assistance. Special thanks go to the editor, April, and Sherra.

Our space is limited, and we cannot list all the individual people who helped make this book possible. So, we will say that if you gave time, effort, pictures, bought candy, purchased an ad — or even this book, we thank you. Ten people will take the credit or blame for this book, but hundreds of you helped us in so many ways. You helped us "Catch the Spirit," and with all its goofs and omissions, we hope you enjoy your '91 edition.

Cammi Prude, Editor  
Jimmie G. Croker, Sponsor
