*As we pass through these doors
the final time as students,
We pause to reminisce over the past four years.
Here we have laughed and cried;
lived and loved.
We've created friendships and memories
to last a lifetime.
Now as we go our separate ways,
We wish to share our joy of achievement with you.
The Graduating Class of
Llano High School
proudly announces its Commencement Exercises
Friday evening, May 30, 1997
at 8:00 O'clock
Llano High School Campus*

Validictory Address

Many people may think that graduation would be a happier time for parents than for students since they finally get another kid out of the house. However, this is far from the truth. Nobody would think that graduation would actually be sad for parents. Probably it is sad because they finally realize their child has grown up, and they have become 18 years older.

It's hard to believe that four years ago we entered Llano High School. Time has flown by faster than anyone can imagine. Many of us are sitting here tonight remembering the good times and trying to forget the bad. In our thoughts are stored the most memorable events - such as who scored the winning touchdown, the final basket, or when the livestock judging team won state, and all the other exciting activities that have been a part of our lives during our high school years.

Over the years our teachers have done their best to prepare us for the real world by telling us about their mistakes, which we usually find amusing, but still wonder how it could apply to us or what good it will do us in the future.

Whether we realize it or not, we have all had one thing in common. All of us have reached our goal of graduating from Llano High School. After tonight we will all be headed our separate directions and have to set new goals since graduation is only the first step in our new world of adulthood. One goal we must all keep is to strive to do our best and to make the best better. We must realize that hard work and dedication are what brought us all here together tonight, and these qualities will help us to successfully obtain all of our future goals.

After our commencement tonight we will be closing one chapter of our life and preparing to open perhaps the most important one. We will be making decisions that will affect the rest of our lives. Hopefully this chapter will hold a promising and successful future for all of us. Tonight we will not only be graduating from Llano High School, but also from the "when I was in high school" stories to the "when I was in college" stories, that we've heard from our parents and teachers.

In closing, I would like to leave everyone with a quote a wise woman once told me, "Life is like a mirror reflecting what you do. If you smile on life, it smiles right back on you."

-Sharon Abbott

1997 Senior Class Song

These Are Days

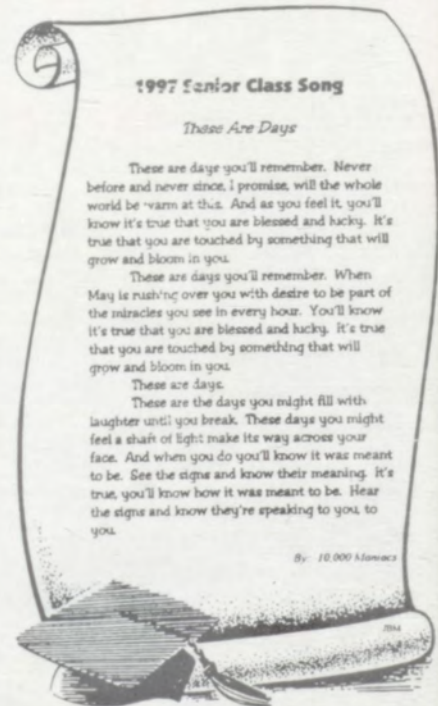

These are days you'll remember. Never before and never since, I promise, will the whole world be warm at this. And as you feel it, you'll know it's true that you are blessed and lucky. It's true that you are touched by something that will grow and bloom in you.

These are days you'll remember. When May is rushing over you with desire to be part of the miracles you see in every hour. You'll know it's true that you are blessed and lucky. It's true that you are touched by something that will grow and bloom in you.

These are days

These are the days you might fill with laughter until you break. These days you might feel a shaft of light make its way across your face. And when you do you'll know it was meant to be. See the signs and know their meaning. It's true, you'll know how it was meant to be. Hear the signs and know they're speaking to you, to you.

JV BEAT DILLOS 28-0!

The JV team held the Dillos scoreless Thursday night by a score of 28-0. The game started off slow with many three and out drives for both teams. The first quarter posed a scoreless game. The JV quickly began moving the ball and Micheal Hayes would put the Jackets on the board with a short touchdown run. The Dillos, however, couldn't get anything going. They tried to pass on Llano but were quickly stopped with sacs by the Jacket defense. Steve Whitson would make the score 16-0 with a 35 yd. touchdown reception from Chandler Shuessler. Once again San Saba was unable to move the ball and the Jackets took over. They would quickly add to their score with a touchdown by Joe Shuffield and the last six points of the game would be a repeat of the first with another short run by Micheal Hayes to make the final score 28-0.

THE FFA

HISTORY: The original idea for the organization was fostered after courses in vocational agriculture were established by the Smith-Hughes Vocational Education Act in 1917.

TODAY: The National FFA Organization is a driving force in developing leadership in today's youth. The organization motivates young people to make positive contributions to their homes, schools, communities, and country.

EMBLEM: the national FFA emblem, consisting of five symbols, is representative of the history, goals and future of the organization. As a whole, the emblem covers the broad spectrum of FFA and agriculture. Each element within the emblem has unique significance, the cross section of the ear of corn, the rising sun, the plow, the eagle and the owl.

COLORS: As the blue field of our nation's flag and the golden fields of ripened corn unify our country, the FFA colors of national blue and corn gold give unity to the organization.

MOTTO: The FFA motto gives members twelve short words to live by as they experience the opportunities in the organization.
Learning To Do - Doing To Learn - Earning To Live - Living To Serve

SALUTE: The Pledge of Allegiance is the official salute of the FFA organization.

Wally Kilman and Brandy DeAnn Mann are voting delegates to the National DECA Career Development Conference held in Anaheim, California, April 29 to May 3. The DECA members are required to apply in writing as one of 29 Texas voting delegates. As delegates, they participate in the state caucus meetings, strategy planning sessions, and interviews of National Officer candidates as well as the actual business session which include the election. Students from across the US and Canada are represented by voting delegates from their states or provinces. Through the DECA process, Delvin Franklin of Belton High School is elected National DECA President. Wally and DeAnn have time to enjoy their DECA experience in recreational activities. Disneyland, University Studios, Newport Beach and San Diego Marine Base are among the highlights. Over 12,000 high school students are in attendance at the conference. The motivational speaker, James Brown, encourages the students to carry their winning attitudes into their future jobs.

Editor's Closing

We would like to thank everyone who contributed to the 1996-1997 yearbook. A special thanks to all of our staff, for the hard work, striving to make this yearbook not only original, but the best. This year has been very adventurous, and full of excitement. In this edition we tried to show as many occasions at Llano High as we could, hopefully, many of your own.

Thanks to all the fellowship of our friends for the memories. They will stay with us, but this yearbook is only a reminder to bring them back to mind. We hope it is enjoyed now, as well as twenty years down the road. Thank you all!

Sarah Chaney Cheryl Mart

Colophon

235 LHS yearbooks were published by the Newsfoto division of Taylor Publishing Company, San Angelo, TX. This book contains 152 pages.

This is the 87th edition of our school's yearbook. The pages of this book were printed on 80# enamel paper. This is a 7 3/4 X 10 1/2 inch book. The cover, which was school designed, features silver 915 silk screen on black Korigan material wrapped around 98 pt. binder board. The endsheets are printed in process four-color.

Pages were submitted on disk and were prepared using Windows-Based Ultra Vision software.

Sponsor's Closing

Today is June 9, and it has been an interesting yearbook year. The book was officially finished June 5, but then I could not get the index to merge; so our yearbook rep. is here to help me finish this. Eleven people were confined to the tiny, narrow yearbook room with only occasional forays into the typing/computer class to work on the remaining "broken" computers. We upgraded to a "better" yearbook program, and that created its own nightmares; since it is not written for a network. Then we had a printer that had to be kept together with a rubber band so we could print pages. Our first major deadline was missed by a month, and the people at Newsfoto Publishing Co. didn't even complain. (A missed deadline is something this sponsor just hasn't done before.) Somehow we survived, had some fun along the way, and did not do bodily injury to each other in such cramped quarters. The logistics of ten people all trying to work on one computer at the same time just doesn't compute!

Sarah and Cheryl were great editors, and right now they are in England with Mr. Leifeste's tour group. Tanya Martin came to help one day. Now Kris and Brandy (next year's editor) are here to tie up all the loose ends. Even our yearbook representative, Cheryl Chrisman, has come and helped us do pages. A big thank you to all of you who had a part in getting this book together. So many of you took or provided pictures, and many more bought suckers to help our fund raising efforts. With its inevitable errors, we are still proud to present this 87th edition of LHS' oldest organization.

*In memory of
Tyson Christopher Smith
August 3, 1979-May 2, 1997*

Fly Away

It makes sense that it should happen this way,
That the sky should break,
And the earth should shake,
As if to say-
Fly away,
Sure it all matters,
Except in an unimportant way,
As if to say-
Fly away,
Sweet bird of prey,
Fly, fly away,
Nothing can stand in your way,
Sweet bird, if you knew the words,
I know that you'd say,
Fly away.

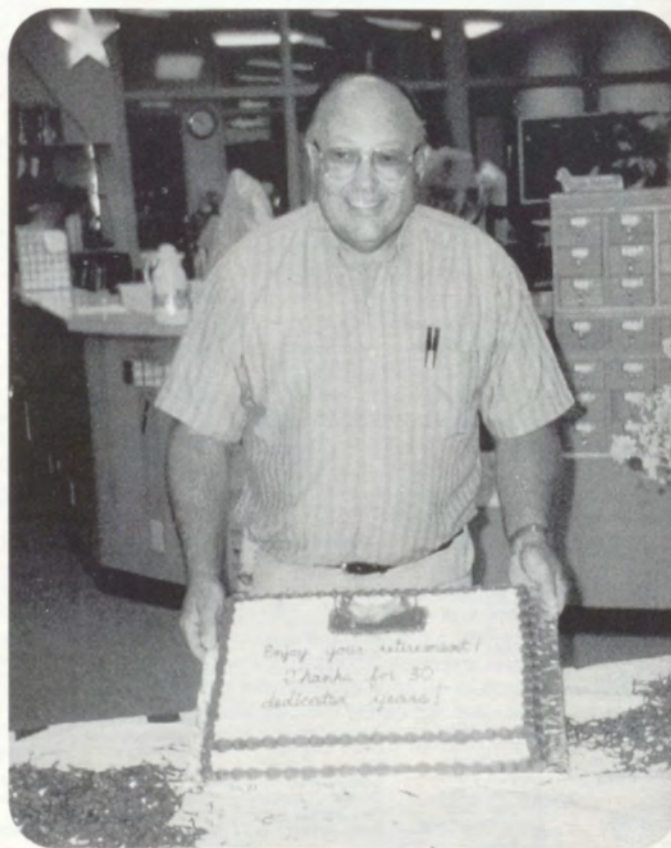

It makes sense that it should hurt in this way,
That my heart should break,
And my hands should shake,
As if to say-
Sure it don't matter,
Except in the most important way,
As if to say-
Fly away.

It makes sense that it should feel just this way,
That you slowly fade,
And yet still remain,
As if to say-
Everything matters in such an invisible way,
As if to say-
It's okay,
Fly away.

Tyson attended Llano schools from 1991 until 1995. He moved to Kerrville and attended Tivey High School.

*In recognition
of 30 years
of service in
Llano Schools
Phil M. Wagner*

Mr. Wagner came to Llano High School in 1967 as a biology and physical science teacher. He taught until 1973 when he accepted the position of counselor. In 1995, he received his third and final assignment at Llano High School as administrative assistant. For his 30 years of dedicated service, Mr. Wagner was honored during a faculty meeting in the spring with a surprise reception.
