MEMORANDUM

In memory of my mother, MAUD ABSHIER, who spent most of her childhood days as well as her young adulthood years in Llano, I have compiled a census index for the years of 1860, 1870, & 1880 of Llano County, Texas. The 1860 census being the first US Census taken after the Countys beginning in 1856. The student of history will note that many of those families listed in 1860 were also continued again in 1870 as well as 1880 in addition to their offspring. In fact many families whoes youngsters are now students and young citizens of Llano represent many of the families listed in these pages

Even tho I was born in Llano just before the turn of the century at a time when there were a few Indians still around even tho they were not savages, and even tho I have been away for many years, I still claim my rights as a native of my mothers home town.
