I certify that I have this day completed the enumeration of the District assigned me, and that the returns have been duly and truthfully made in accordance with the law and my oath of office.

Date: July 1, 1880

(Signed) Robt. Malone, Enumerator

Editor's note: There are two more 1880 Commissioners Precincts, Nos. 3 and 4, to be published which will complete our Bi-Centennial Project of printing the 1860, 1870 and 1880 censuses of Llano County, Texas. We had hoped to complete our project in 1976, however, due to the escalating costs of postage, paper, lack of printing machine, etc., and lack of manpower, we are combining the April and July issues and hope to put out another quarterly in October, 1976.

The Bi-Centennial Project of our Hill Country Genealogical Society continues with this issue. The length of the 1880 Llano County, Texas, census makes it almost impossible to publish in full in 1975. Two more precincts remain to be typed on stencils, and will reach you in later issues. Meanwhile, we are grateful for your patience, and we hope we are bringing to you some useful information.

We have had inquiries about publication of the early censuses of other counties in our Hill Country. As you know, these census records now being published were contributed, and are being copied from records made some years ago. If you have copied a census in full, or if you are willing to copy a census in full, and contribute it, please let us know. We need this sort of information in order to share with our members.

Would you believe we often do not have enough queries on hand to print? These are free, people! Send us any amount - we can work them in later if we receive too many for one issue. Even if you are not a member, send them anyway. Our quarterly goes into many libraries all over the country, and we exchange with many other genealogical societies.

We need records on Revolutionary Soldiers of our members and friends for publication in 1976. Please compile your information for us, and mail it in.

Members are reminded that dues are payable between now and January 1, 1976.
